Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 39 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) An insurer may offer and provide at the option of the named insured, basic reparations benefits through managed-care arrangements such as a health maintenance organization (HMO) or a preferred provider organization. The policy option may include conditions and limitations to coverage, including, but not limited to, deductibles and coinsurance requirements, as approved by the commissioner. The commissioner shall approve the conditions and limitations unless a finding is made by the commissioner that the conditions and limitations are unreasonable when compared with benefits provided.

(2) An insurer may offer, and provide at the option of the named insured, deductible and coinsurance arrangements whereby the recipient of care, treatment, services, products, expenses, or accommodations shares in the payment obligation for the care, treatment, services, products, expenses, or accommodations.

(3) No deductible or coinsurance under a policy covered under subsection (1) or (2) of this section shall be applied with respect to care, treatment, services, products, or accommodation provided or expenses incurred by an insured during the first twenty-four (24) hours in which emergency treatment has been provided or until the insured patient's emergency medical condition is stabilized, whichever is longer, or until the insured patient is transferred to a managed care provider in accordance with applicable law.

(4) (a) The optional coverage prescribed in subsections (1) and (2) of this section shall apply only to the named insured, resident spouse, resident relative, and any person operating the described motor vehicle with the permission of the named insured or resident spouse.

(5) It is the intent of the General Assembly that an agreement made under this section be a voluntary agreement between the insured and the insurer, and no insurer shall require an insured to agree to such policy provisions as a condition of providing insurance coverage. Requiring such agreement as a precondition to the provision of insurance shall constitute an unfair insurance practice under KRS 304.12-230.

(6) An insurer offering the coverages authorized in subsections (1) and (2) of this section shall demonstrate in rate filings submitted to the commissioner the savings to the insured to be realized under the plan and shall further submit to the commissioner, for preapproval, any disclosure form to be used to record an insured's election for any coverage authorized in subsections (1) and (2) of this section.

(3) ***If the parties*** [~~In the event of such~~] consent, or if upon the record made at any [~~such~~] hearing the commissioner shall find that any violation or unsafe or unsound practice specified in the notice of charges

has been established, he may issue and serve upon the bank, trust company, director, officer, employee, agent or other person an order to cease and desist from any [~~such~~] violation or practice and, further, to take affirmative action to correct the conditions resulting from any [~~such~~] violation or practice.

(4) If the commissioner shall determine that the violation or practice, as specified in the notice of charges pursuant to subsection (1) of this section, or the continuation thereof, is likely to cause insolvency or substantial dissipation of assets or earnings of the bank or trust company, or is likely to otherwise seriously prejudice the interests of its depositors or investors, he may issue a temporary order requiring the bank or trust company, director, officer, employee, agent or other person to cease and desist from any [~~such~~] violation or practice.

(5) A cease and desist order or temporary cease and desist order shall become effective upon service upon the bank or trust company or at the expiration of not more than thirty (30) days after the date of service. (6) Within ten (10) days after service of a temporary cease and desist order, the party or parties served may apply to the Circuit Court for the county in which the bank is located, or the Circuit Court of Franklin County, for an injunction setting aside, limiting, or suspending the enforcement, operation or effectiveness of ***the*** [~~such~~] order pending completion of administrative proceedings, and ***the*** [~~such~~] court shall have jurisdiction to issue an injunction.

(7) In the case of violation or threatened violation of, or failure to obey, a temporary cease and desist order ***or cease and desist order*** issued pursuant to this section, the commissioner may apply to the Circuit Court for the county in which the bank or trust company is located, or the Circuit Court of Franklin County, for an injunction to enforce ***the*** [~~such~~] order, and it shall be the duty of the court to issue ***the*** [~~such~~] injunction.

(8) If the commissioner shall determine that any officer or director of a bank or trust company has committed any violation of law, rule or regulation or of a cease and desist order which has become final, or has engaged in or participated in any unsafe or unsound practice in connection with the bank or trust company, or has committed or engaged in any act, omission, or practice which constitutes a breach of his fiduciary duty as [~~such~~] officer or director, and the commissioner determines that the bank or trust company has suffered or will probably suffer substantial financial loss or other damages or that the interests of its depositors or investors could be seriously prejudiced by reason of ***the*** [~~such~~] violation or practice of breach of fiduciary duty or that the director or officer has received financial gain by reason of the violation or practice or breach of fiduciary duty, the commissioner may serve upon ***the*** [~~such~~] director or officer a written notice of intention to remove him from office. The written notice shall serve to suspend the officer or director from office. ***The*** [~~Such~~] suspension shall become effective upon service of ***the*** [~~such~~] notice and, unless stayed by a court in proceedings authorized by subsection (10) of this section, shall remain in effect pending the completion of the administrative proceedings under subsection (9) of this section and until ***the*** [~~such~~] time [~~as~~] the commissioner shall dismiss the charges specified in ***the*** [~~such~~] notice or, if an order of removal is issued against the officer or director, the effective date of ***the*** [~~any such~~] order. ***The resignation of an officer or director from the bank shall not prohibit the commissioner from pursuing an action for removal of the officer or director.***

(9) A notice of intention to remove an officer or director from office shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. ***The*** [~~Such~~] hearing shall be fixed for a date not earlier than thirty (30) days nor later than sixty (60) days after the date of service of ***the*** [~~such~~] notice,[~~;~~] unless an earlier date is set by the commissioner at the request of ***the*** [~~such~~] officer or irector and for good cause shown. Unless ***the*** [~~such~~] officer or director shall appear at the hearing in person or by duly authorized representative, he shall be deemed to have consented to the issuance of an order of [~~such~~] removal. ***If the parties*** [~~In the event of such~~] consent, or if upon the record made at any [~~such~~] hearing the commissioner shall find that any of the grounds specified in ***the*** [~~such~~] notice have been established, the commissioner may issue [~~such~~] orders of suspension or removal from office as he deems appropriate.

(10) Within ten (10) days after an officer or director has been suspended from office, ***the*** [~~such~~] officer or director may apply to the Circuit Court for the county in which the bank or trust company is located for a stay of ***the*** [~~such~~] suspension pending the completion of the administrative proceedings pursuant to the notice served upon ***the*** [~~such~~] officer or director, and ***the*** [~~such~~] court shall have jurisdiction to grant ***the*** [~~such~~] stay.

(11) The bank, trust company or person assessed shall be afforded an opportunity for a hearing upon request made to the commissioner within ten (10) days after issuance of the assessment notice. Any [~~such~~] hearing shall be on the record and the commissioner's determination shall constitute a final order. If no hearing is requested within the ten (10) days, the notice of assessment shall constitute a final order.

(12) Any person aggrieved by a final order of the commissioner under subsections (9) or (11) of this section may obtain a review of the order by filing in the Circuit Court for the county in which the bank or trust company is located a petition of appeal within ten (10) days after the rendition of a final order. A copy of the petition shall be served upon the commissioner and thereupon the commissioner or his agent shall certify and file in court a copy of the record or other evidence upon which the order is entered. No objection to the order may be considered by the court unless it was argued before the commissioner or there were reasonable grounds for failure to do so.

(13) The commissioner may apply to the Circuit Court for the county in which the bank or trust company is located for an injunction to enforce any order issued under subsection (9) of this section or any assessment made under subsection (11) of this section, and it shall be the duty of the court to issue ***the*** [~~such~~] injunction.

The southern edge of the following counties shall delineate the boundary between the north zone and the south zone: Bullitt, Spencer, Anderson, Woodford, Jessamine, Fayette, Clark, Montgomery, Menifee, Morgan, and Lawrence.

(3) One U.S. Survey Foot equals (1200)/(3937) meter. For conversion of meters to U.S. Survey Feet, multiply the meters by 3.28083333333 to twelve (12) significant figures. When converting from meters to feet, the conversion factor defined by the U.S. Survey Foot shall be used.

(4) The plane coordinate values for a point on the earth's surface, used to express the geographic position or location of the point in the appropriate zone of this system, shall consist of two (2) distances expressed in U.S. Survey Feet and decimals of a foot when using the Kentucky Coordinate System of 1983. For the Kentucky Coordinate System of 1983, one (1) of the distances, to be known as the "northing" or "N", shall give the position in a north/south direction. The other, to be known as the "easting" or "E" shall give the position in an east/west direction. These coordinates shall be made to depend upon and conform to plane rectangular coordinates values for the monumented points of the North American National Geodetic Horizontal Network as published by the National Ocean Service/National Geodetic Survey, and whose plane coordinates have been computed on the systems established by the National Ocean Service/National Geodetic Survey. Any such station may be used for establishing a survey connection to the Kentucky Coordinate System of 1983.

(5) For purposes of describing the location of any survey station or land boundary corner in the Commonwealth of Kentucky, it shall be considered a complete, legal, and satisfactory description of the location to give the position of the survey station or land boundary corner on the Kentucky Coordinate System of 1983.

(6) Nothing contained in this Act shall require a purchaser or mortgagee of real property to rely wholly on a land description any part of which depends exclusively upon the Kentucky Coordinate System of 1983.

(7) When any tract of land to be defined by a single description extends from one (1) into the other of the two (2) zones, the position of all points on its boundaries may be referred to either of the two (2) zones. The zone which is used shall be named in the description.

(8) No coordinates based on the Kentucky Coordinate System of 1983, purporting to define the position of a point on a land boundary, shall be presented to be recorded in any public land records or deed records unless the point has been tied to an existing monumented horizontal control station established in conformity with the standards of accuracy and specifications for first or second order geodetic surveying as prepared and published by the Federal Geodetic Control Committee (FGCC) of the United States Department of Commerce. The survey used to tie a point into these monumented control stations shall conform to the standards and specifications of a minimum of 3rd order accuracies as set forth by the Federal Geodetic Control Committee. Standards and specifications of the FGCC, or its successor, in force on the date of the survey shall apply. Publishing existing control stations, or the acceptance with intent to publish the newly established stations, by the National Ocean Service/National Geodetic Survey shall constitute evidence of adherence to the FGCC specifications. These requirements may be modified by a duly authorized state agency or local agency to meet local conditions.

(9) The use of the terms "KENTUCKY COORDINATE SYSTEM OF 1983 NORTH ZONE" or "KENTUCKY COORDINATE SYSTEM OF 1983 SOUTH ZONE" on any map, report of survey, or other document shall be limited to coordinates based on the Kentucky Coordinate System as defined in this Act.

(10) If any provision of this Act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.

HB 91, AN ACT relating to land surveying.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 1 IS CREATED TO READ AS FOLLOWS:

It is the intent of the General Assembly of the Commonwealth of Kentucky that this Act shall not eliminate the existing methods of describing points of the surface of the earth, as in metes and bounds or, in western Kentucky, the public land system, but rather to enhance these existing methods and establish a conformity for retracement purposes.

SECTION 2. A NEW SECTION OF KRS CHAPTER 1 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Coordinate System of 1983, which is hereby adopted, means a system of plane coordinates which have been established by the National Ocean Service/National Geodetic Survey for defining and stating the geographic positions or locations of points on the surface of the earth within the Commonwealth of Kentucky.

(2) For this system, the Commonwealth shall be divided into a north zone and a south zone. The north zone shall be a Lambert conformal conic projection of the North American Datum of 1983, having standard parallels at north latitudes 37 degrees, 58 minutes, and 38 degrees, 58 minutes along which parallels the scale shall be exact. The origin of coordinates shall be at the intersection of the meridian 84 degrees, 15 minutes west of Greenwich, and the parallel 37 degrees, 30 minutes north latitude. This origin shall be given the coordinates: N0, E500,000.000 meters. The south zone shall be a Lambert conformal conic projection of the North American Datum of 1983, having standard parallels at north latitudes 36 degrees, 44 minutes, and 37 degrees, 56 minutes along which parallels the scale shall be exact. The origin of coordinates shall be at the intersection of the meridian 85 degrees, 45 minutes west of Greenwich, and the parallel 36 degrees, 20 minutes north latitude. This origin shall be given the coordinates: N500,000.000, E500,000.000 meters. The southern edge of the following counties shall delineate the boundary between the north zone and the south zone: Bullitt, Spencer, Anderson, Woodford, Jessamine, Fayette, Clark, Montgomery, Menifee, Morgan, and Lawrence.

(3) One U.S. Survey Foot equals (1200)/(3937) meter. For conversion of meters to U.S. Survey Feet, multiply the meters by 3.28083333333 to twelve (12) significant figures. When converting from meters to feet, the conversion factor defined by the U.S. Survey Foot shall be used.

(4) The plane coordinate values for a point on the earth's surface, used to express the geographic position or location of the point in the appropriate zone of this system, shall consist of two (2) distances expressed in U.S. Survey Feet and decimals of a foot when using the Kentucky Coordinate System of 1983. For the Kentucky Coordinate System of 1983, one (1) of the distances, to be known as the "northing" or "N", shall give the position in a north/south direction. Any such station may be used for establishing a survey connection to the Kentucky Coordinate System of 1983.

(5) For purposes of describing the location of any survey station or land boundary corner in the Commonwealth of Kentucky, it shall be considered a complete, legal, and satisfactory description of the location to give the position of the survey station or land boundary corner on the Kentucky Coordinate System of 1983.

(6) Nothing contained in this Act shall require a purchaser or mortgagee of real property to rely wholly on a land description any part of which depends exclusively upon the Kentucky Coordinate System of 1983.

(7) When any tract of land to be defined by a single description extends from one (1) into the other of the two (2) zones, the position of all points on its boundaries may be referred to either of the two (2) zones. The zone which is used shall be named in the description.

(8) No coordinates based on the Kentucky Coordinate System of 1983, purporting to define the position of a point on a land boundary, shall be presented to be recorded in any public land records or deed records unless the point has been tied to an existing monumented horizontal control station established in conformity with the standards of accuracy and specifications for first or second order geodetic surveying as prepared and published by the Federal Geodetic Control Committee (FGCC) of the United States Department of Commerce. Standards and specifications of the FGCC, or its successor, in force on the date of the survey shall apply. Publishing existing control stations, or the acceptance with intent to publish the newly established stations, by the National Ocean Service/National Geodetic Survey shall constitute evidence of adherence to the FGCC specifications. These requirements may be modified by a duly authorized state agency or local agency to meet local conditions.

(9) The use of the terms "KENTUCKY COORDINATE SYSTEM OF 1983 NORTH ZONE" or "KENTUCKY COORDINATE SYSTEM OF 1983 SOUTH ZONE" on any map, report of survey, or other document shall be limited to coordinates based on the Kentucky Coordinate System as defined in this Act.

(8) "Viability" shall mean that stage of human development when the life of the unborn child may be continued by natural or life-supportive systems outside the womb of the mother.

(9) "Accepted medical procedures" shall mean procedures of the type performed in the manner and in a facility with equipment sufficient to meet the standards of medical care which physicians engaged in the same or similar lines of work, would ordinarily exercise and devote to the benefit of their patients.

Section 2. KRS 311.732 is amended to read as follows:

(1) For purposes of this section, the following definitions shall apply:

(a) "Minor" means any person under the age of eighteen (18);

(b) "Emancipated minor" means any minor who is or has been married or has by court order or otherwise been freed from the care, custody, and control of her parents; and

(c) "Abortion" means the use ***or prescription*** of any instrument, medicine, drug, or any other substance or device with intent to terminate the pregnancy of a woman known to be pregnant with intent other than to increase the probability of a live birth, to preserve the life or health of the child after live birth, or to remove a dead fetus.

(2) No person shall perform an abortion upon a minor unless:

(a) The attending physician or his agent secured the informed written consent, signed and notarized, of the minor and both parents, if available, or legal guardian;

(b) If both parents are not available, the attending physician or his agent has secured such written consent from the minor and the available parent or guardian;

(c) The minor is emancipated and the attending physician or his agent has received the informed written consent, signed and notarized, of the minor; or

(d) The minor elects to petition any Circuit or District Court of the Commonwealth pursuant to subsection (3) of this section and obtain an order pursuant to subsection (4) of this section granting consent to the abortion and the attending physician or his agent has received the informed written consent, signed and notarized, of the minor.

(3) Every minor shall have the right to petition any Circuit or District Court of the Commonwealth for an order granting the right to self-consent to an abortion pursuant to the following procedures:

(a) The minor or her next friend may prepare and file a petition setting forth the request of the minor for an order of consent to an abortion;

(b) The court shall insure that the minor prepares or her next friend is given assistance in preparing and filing the petition and shall insure that the minor's identity is kept anonymous;

(c) The minor may participate in proceedings in the court on her own behalf or through her next friend and the court shall appoint a guardian ad litem for her. The court shall advise her that she has a right to court appointed counsel and shall provide her with such counsel upon her request;

(d) All proceedings under this section shall be anonymous and shall be given preference over other matters to insure that the court may reach a decision promptly, but in no case shall the court fail to rule within seventy-two (72) hours of the time of application, provided that the seventy-two (72) hour limitation may be extended at the request of the minor; and

(e) The court shall hold a hearing on the merits of the petition before reaching a decision. The court shall hear evidence at the hearing relating to the emotional development, maturity, intellect and understanding of the minor; the nature, possible consequences and alternatives to the abortion; and any other evidence that the court may find useful in determining whether the minor should be granted majority rights for the purpose of consenting to the abortion or whether the abortion is in the best interest of the minor.

(4) The court shall enter a written order, making specific factual findings and legal conclusions supporting its decision as follows:

(a) Granting the petition for an abortion if the court finds that the minor is mature and well-informed enough to make the abortion decision on her own;

(b) Granting consent to the abortion if the court finds that the performance of the abortion would be in the minor's best interest; or

(c) Deny the petition, if the court finds that the minor is immature and that performance of the abortion would not be in the minor's best interest.

(5) Any minor shall have the right of anonymous and expedited appeal to the Court of Appeals, and that court shall give precedence over other pending matters.

(6) No fees shall be required of any minor who declares she has no sufficient funds to pursue the procedures provided by this section.

(7) The Supreme Court is respectfully requested to promulgate any rules and regulations it feels are necessary to ensure that proceedings under this section are handled in an expeditious and anonymous manner.

(8) The requirements of subsections (2), (3), and (4) of this section shall not apply when, in the best medical judgment of the physician based on the facts of the case before him, a medical emergency exists that so complicates the pregnancy as to require an immediate abortion. A physician who does not comply with subsection (2), (3), or (4) of this section due to the utilization of this exception shall certify in writing the medical indications upon which his judgment was based.

(9) A report indicating the basis for any medical judgment that warrants failure to obtain consent pursuant to this section shall be filed with the cabinet for human resources on a form supplied by the cabinet. This report shall be confidential.

(10) Failure to obtain consent pursuant to the requirements of this section is prima facie evidence of failure to obtain informed consent and of interference with family relations in appropriate civil actions. The law of this state shall not be construed to preclude the award of exemplary damages in any appropriate civil action relevant to violations of this section. Nothing in this section shall be construed to limit the common law rights of parents.

Section 3. KRS 311.726 is amended to read as follows:

(1) No abortion shall be performed ***or induced*** except with the voluntary and informed ***written*** consent of the pregnant woman. ***Except in the case of a medical emergency,*** consent to an abortion is voluntary and informed only if:

(a)[~~(1)~~] The woman is provided, at ***least twenty-four (24) hours*** [~~some time~~] before the abortion ***is performed or induced***, a copy of her pregnancy test result, if ***the*** [~~such~~] test has been employed, by the physician who is to perform the abortion or his agent ***or by the referring physician***;

(b)[~~(2)~~] The physician who is to perform the abortion or his agent shall provide the woman at least ***twenty-four (24)*** [~~two (2)~~] hours before the abortion:

1.[~~(a)~~] The name of the physician who will perform the abortion;

2.[~~(b)~~] The particular medical risks associated with the particular abortion procedure to be employed ***including, when medically accurate, the risks of infection, hemorrhage, danger to subsequent pregnancies and infertility*** [~~in the medical judgment of the physician based on the particular facts of the case before him~~];

3.[~~(c)~~] The probable gestational age of the ***unborn child*** [~~fetus~~] at the time the abortion is to be performed ***and the medical risks to the pregnant woman associated with carrying her child to term***;

4.[~~(d)~~] The printed information required by KRS 311.729(1) and (2); [~~and~~]

5.[~~(e)~~] The fact that the information prescribed by KRS 311.729(3) is available to her ***and that she has a right to review*** [~~if she wishes to view~~] it;

6. That medical assistance benefits may be available for prenatal care, childbirth, and neonatal care; and

7. That the father of the unborn child, if known, is liable to assist in the support of her child, even in instances in which the father has offered to pay for the abortion;

(2)[~~(3)~~] Before submitting to the abortion, but after receiving the information required by subsection (1) of this section the woman shall certify in writing that she has received the information required by this section from the physician or his agent at least ***twenty-four (24)*** [~~two (2)~~] hours before the abortion is to be performed, that she understands it, that she consents to the abortion, and that her consent is voluntary and not the result of coercion.[~~;~~]

(3)[~~(4)~~] The requirement of this section that at least ***twenty-four (24)*** [~~two (2)~~] hours elapse between the provision of the information required and the performance of the abortion shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency which warrants nullification of the ***twenty-four (24)*** [~~two (2)~~] hour waiting period. In such a case, the physician shall describe the basis of his medical judgment that [~~such~~] an emergency exists on a form prescribed by the ***cabinet*** [~~department~~] as required by KRS 213.055;

(4)[~~(5)~~] The requirements of this section that certain information be provided the pregnant woman and that she certify her consent in writing shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency which warrants nullification of the requirements that the woman be provided with the information and that the woman certify her consent. In such a case, the physician shall ***inform the woman, prior to the abortion, if possible, of the medical indications supporting the physician's judgment that an abortion is necessary to avert her death or for which a twenty-four (24) hour delay will create grave peril of immediate and irreversible loss of major bodily function*** [~~describe the basis of his medical judgment that such an emergency exists on a form prescribed by the department as required by KRS 213.055 and, if the woman survives the abortion, the physician shall subsequently inform her of the medical indications for his judgment that a medical emergency existed and of the particular medical risks associated with the particular abortion procedure employed, the symptoms of which might become manifest in the future~~];

(5) For the purposes of subsections (3) and (4) of this section:

(a) "Medical emergency" means that condition of a pregnant woman which, in the best clinical judgment of the physician who is attending the woman, so complicates a pregnancy as to necessitate an immediate performance or inducement of an abortion to avert the death of the mother or for which a twenty-four (24) hour delay will create grave peril of immediate and irreversible loss of major bodily function.

(b) "Probable gestational age of the unborn child" means what, in the judgment of the physician, will with reasonable probability be the gestational age of the unborn child at the time the abortion is planned to be performed.

(6) Failure to provide the woman with information required by this section is prima facie evidence of failure to obtain informed consent in appropriate civil actions ***for compensatory and punitive damages***. The law of this Commonwealth shall not be construed to preclude award of punitive damages or damages for emotional distress even if unaccompanied by physical complications in any civil action brought pursuant to violations of this section. Nothing in this section shall be construed to limit the common law rights of the woman to secure informed consent to any form of medical treatment, including abortion.

Section 4. KRS 311.729 is amended to read as follows:

(1) The ***Cabinet for Human Resources*** [~~department~~] shall[~~, within sixty (60) days of July 15, 1982,~~] publish printed materials that may be easily comprehended in all languages used by significant portions of the population of this Commonwealth which are designed to inform ***the pregnant woman*** [~~concerned persons~~] of public and private agencies and services available to assist a woman through pregnancy, upon childbirth, and while the child is dependent, including ***the support obligations of the father of a child who is born live and*** reputable adoption agencies. The materials shall include a ***geographically-indexed*** comprehensive list of the agencies available, the services they offer, ***including available Medical Assistance Benefits for prenatal care, childbirth, and neonatal care*** and a description of the manner in which they might be contacted ***including telephone***

numbers and addresses. The Cabinet for Human Resources may include on the materials a toll-free twenty-four (24) hour a day telephone number which may be called to obtain, orally, the list and description of agencies available in the locality of the caller.

(2) The materials shall include the following paragraph:

"There are many public and private agencies willing and able to help you to carry your child to term, and assist you and your child after your child is born, whether you choose to keep your child or to place her or him for adoption. The Commonwealth of Kentucky strongly urges you to contact them before making a final decision about abortion."

(3) The materials shall describe the probable anatomical and physiological characteristics of the ***unborn child at two (2) week gestational increments from the time a woman can be known to be pregnant to full term*** [~~fetus at the various gestational ages at which abortion might be performed~~], including any relevant information on the possibility of ***the unborn child's*** [~~fetal~~] survival. The materials shall be scientifically objective and shall not be ***judgmental*** [~~prejudicial~~]. ***The materials shall include only accurate scientific information about the unborn child at the various gestational ages. The materials shall be printed in a typeface large enough to be clearly legible.***

(4) Nothing in this section shall be construed to limit the right of the physician or of personnel associated with him to express to the woman their own views concerning the validity or importance of the materials prescribed by this section.

(5) The materials required under this section shall be available at no cost from the ***cabinet*** [~~department~~] upon request and in appropriate number to any person, facility, or hospital. Distribution of the printed materials shall not be required until they are made available.

SECTION 5. A NEW SECTION OF KRS CHAPTER 411 IS CREATED TO READ AS FOLLOWS:

Any person upon whom an abortion has been performed without complying with Section 3 of this Act, the father of the unborn child who was the subject of such an abortion, or the grandparent of the aborted unborn child may maintain an action against the person who performed the abortion for punitive damages and treble whatever actual damages the plaintiff may have sustained. Any person upon whom an abortion has been attempted without complying with Section 3 of this Act may maintain an action against the person who has attempted to perform the abortion for punitive damages and treble whatever actual damages the plaintiff may have sustained.

SECTION 6. A NEW SECTION OF KRS CHAPTER 411 IS CREATED TO READ AS FOLLOWS:

In every proceeding or action brought under Section 5 of this Act, the court shall rule whether the anonymity of any woman upon whom an abortion is performed or attempted shall be preserved from public disclosure if she does not give her consent to that disclosure. The court, upon motion, shall make a ruling on this matter and, upon determining that her anonymity should be preserved, shall issue orders to the parties, witnesses, and counsel, and shall direct the sealing of the record and exclusion of individuals from courtrooms or hearing rooms, to the extent necessary to safeguard her identity from public disclosure. Each nondisclosure order shall be accompanied by specific written findings explaining why the anonymity of the woman should be preserved from public disclosure, why the order is essential to that end, how the order is narrowly tailored to serve that interest, and why no reasonable less restrictive alternative exists. In the absence of written consent of the woman upon whom an abortion has been performed or attempted, anyone, other than a public official, who brings an action under Section 5 of this Act shall do so under a pseudonym. This section may not be construed to conceal the identity of the plaintiff or of witnesses from the defendant.

The Committee Substitute to **HB 565** is as follows:

HB 565, AN ACT relating to abortion.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(2) "Medical emergency" means that condition which, on the basis of the physician's best clinical judgment, so complicates a pregnancy as to necessitate an immediate abortion to avert the death of the mother or for which a twenty-four (24) hour delay will create grave peril of immediate and irreversible loss of major bodily function.

If the woman chooses to view the materials, copies of them shall be furnished to her. The physician or his agent may disassociate themselves from the materials, and may comment or refrain from comment on them as they choose; and

(4) The woman certifies in writing, prior to the abortion, that the information described in subsections (1) to (3) of this section has been furnished her, and that she has been informed of her opportunity to review the information referred to in subsections (1) to (3) of this section; and

(3) The materials required under this section shall be available at no cost from the Cabinet for Human Resources upon request and in appropriate number to any person, facility, or hospital.

SECTION 4. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

When a medical emergency compels the performance of an abortion, the physician shall inform the woman, prior to the abortion if possible, of the medical indications supporting his judgment that an abortion is necessary to avert her death or for which a twenty-four (24) hour delay will create grave peril of immediate and irreversible loss of major bodily function.

SECTION 5. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Any person upon whom an abortion has been performed without complying with Section 2 of this Act, the father of the unborn child who was the subject of such an abortion, or the grandparent of the aborted unborn child may maintain an action against the person who performed the abortion for punitive damages and treble whatever actual damages the plaintiff may have sustained. The employee may void his decision to retire under the provisions of this section if he does so in writing to the retirement system and upon application and agreement of the local superintendent no later than September 30, 1992.

(4) The retirement system's actuary shall determine the actuarial cost of the additional service provided in subsection (1) of this section for each employee and the cost shall be paid by the Commonwealth of Kentucky. (7) The purpose of this Act is to promote education reform and provide additional resources for local school districts. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 157.420 is amended to read as follows:

Public school funds made available to the credit of each district during any year shall be received, held and expended by the district board, subject to the provisions of law and administrative regulations of the State Board for Elementary and Secondary Education. The following restrictions shall govern the expenditure of funds from the public school fund:

(1) The teachers' salaries allotment for each district from the public school fund and from local sources shall be used only for teachers holding properly authorized certificates. The salary paid any rank of teachers shall be at least equivalent to the amount set forth in the biennial budget schedule for each rank and experience for a term of one hundred eighty-five (185) days for full-time service during the regular school year or the allotment under KRS 157.390(3) shall be reduced by an amount equal to the amount by which the district failed to meet the salary requirements.

(2) The State Board for Elementary and Secondary Education shall not approve any working budget or salary schedule summary for local boards of education for any school year in which the total amount for one hundred eighty-five (185) days on the salary schedule summary for salaries paid from the base funding is not equal to:

(a) The amount for one hundred eighty-five (185) days on the district's salary schedule summary for instructional salaries paid with state funds the preceding year; plus

(b) The additional amount for instructional salaries to be received by the district under the biennial budget schedule for a one hundred eighty-five (185) day school term by assuming the same rank and experience of teachers in the current year as in the preceding year.

(3) ***A district that compensates its teachers or employees for unused sick leave at the time of retirement, pursuant to KRS 161.155, may create an escrow account to maintain the amount of funds necessary to pay teachers or employees who qualify for receipt of the benefit. The fund is limited to not more than fifty percent (50%) of the maximum liability for the current year. Interest generated by the account shall be calculated as part of the total amount. The funds shall not be used for any purpose other than compensation for unused sick leave at the time of retirement and shall not be considered as part of the general fund balance in determining available local revenue for purposes of KRS 157.620.***

(4) The per pupil capital outlay allotment for each district from the public school fund and from local sources shall be kept in a separate account and may be used by the district only for capital outlay projects approved by the chief state school officer in accordance with requirements of law, and based on a survey made in accordance with administrative regulations of the State Board for Elementary and Secondary Education. These funds shall be used for the following capital outlay purposes:

(b) For debt service on voted and funding bonds;

(c) For payment or lease-rental agreements under which the board eventually will acquire ownership of a school plant;

(e) As a reserve fund for the above-named purposes, to be carried forward in ensuing budgets.

(5)[~~(4)~~] If any district has a special levy for capital outlay or debt service that is equal to the capital outlay allotment or a proportionate fraction thereof, and spends the proceeds of that levy for the above-named purposes, the chief state school officer under administrative regulations of the State Board for Elementary and Secondary Education, may authorize the district to use all or a proportionate fraction of its capital outlay allotment for current expenses. However, a district which uses capital outlay funds for current expenses shall not be eligible to participate in the School Facilities Construction Commission funds.

(6)[~~(5)~~] If a survey shows that a school district has no capital outlay needs as shown in paragraphs (a), (b), (c), and (d) of subsection ***(4)***[~~(3)~~] of this section, upon approval of the chief state school officer, these funds may be used for school plant maintenance, repair, insurance on buildings, replacement of equipment, purchase of school buses, and the purchase of modern technological equipment, including telecommunications hardware, televisions, computers, and other technological hardware to be utilized for educational purposes only.

(7)[~~(6)~~] In surveying the schools, the Department of Education shall designate each school facility as a permanent, functional, or transitional center.

(a) "Permanent center" means a center which meets the program standards approved by the State Board for Elementary and Secondary Education, is located so that students are not subjected to an excessive amount of time being transported to the site, and has established an attendance area which will maintain enrollment at capacity but will also avoid overcrowding.

(b) "Functional center" means a center which does not meet all the criteria established for a permanent facility, but is adequate to meet accreditation program standards to insure no substantial academic or building deficiency. The facility plan shall include additions and renovations necessary to meet current accreditation standards for which federal, state, and local funds may be used.

(c) "Transitional center" means a center which the local board of education has determined shall no longer be designated permanent or functional. Each superintendent shall request all conviction information for any applicant for initial employment from the Justice Cabinet prior to employing the applicant.

(4) (a) If a school term has begun and a position remains unfilled or if a vacancy occurs during a school term, a superintendent may employ an individual, who will have supervisory or disciplinary authority over minors, on probationary status pending receipt of the required records. Application for the criminal record of a probationary employee shall be made no later than the date probationary employment begins.

(b) Employment shall be contingent on the receipt of records documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.

(c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the district of a record documenting a criminal act as defined above and no further procedures shall be required.

(1) As used in Sections 1 to 3 of this Act, the following definitions shall apply:

(a) "Noncertified employee" means a person employed in a public school for whom certification is not required as a basis for employment and who has been employed in the same school district for more than two (2) successive school years.

(b) "Seniority" means the period of time from initial employment in the school district to the present time, including all approved leave, both paid and unpaid.

SECTION 2. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) The superintendent of a school district shall enter into a written contract of employment with noncertified employees. The contract may be terminated by the superintendent only for:

(a) Insubordination;

(b) Immoral conduct or conduct unbecoming an employee;

(c) Physical or mental disability;

(d) Inefficiency, incompetency, or neglect of duty;

(e) Abandonment of position or failure to maintain licensing or other standards required by the state or federal governments.

(2) Charges under subsections (1)(a) and (d) of this section shall be supported by written records of employee performance prepared by the superintendent or other supervisory personnel of the school district.

(3) No contract shall be terminated except upon notification of the board by the superintendent. Prior to notification of the board, the superintendent shall furnish the employee with a written statement specifying in detail the charge upon which termination of the contract is based. The employee may, within ten (10) days after receiving the charge, notify the chief state school officer and the superintendent of his intention to answer the charge. Upon failure of the employee to give notice within ten (10) days, the dismissal shall be final.

(4) Upon receiving the employee's notice of intention to answer the charge, the chief state school officer shall appoint a three (3) member tribunal, consisting of one (1) noncertified employee, one (1) public school administrator, and one (1) lay person, none of whom shall reside in the school district. The chief state school officer shall name the chairman of the tribunal and set the date and time for the hearing. The hearing shall take place no less than twenty (20) days nor more than thirty (30) days after the employee receives the statement of charges.

(5) The hearing before the tribunal shall be conducted in accordance with procedures established by KRS 161.790(5) and regulations adopted for the conduct of hearings pursuant to that statute.

(6) Upon hearing both sides of the case, the tribunal may by majority vote render its decision or may defer its action for not more than five (5) days. The tribunal may dismiss some or all of the charges, issue a sanction less severe than recommended by the superintendent, or terminate the contract.

(7) The superintendent may suspend the employee pending final action to terminate the contract, if, in his judgment, the character of the charge warrants the action. If the decision of the tribunal is against termination of the contract, the suspended employee shall be paid full salary for the period of suspension.

(8) The employee may appeal the decision of the tribunal under procedures identical to those set forth for teachers in KRS 161.790(8). Either the employee or the superintendent may appeal the action of the Circuit Court to the Court of Appeals. If appeal is not made within thirty (30) days from receipt of the final decision of the tribunnal, the decision shall be final.

(9) As an alternative to termination of an employee's contract, the superintendent upon notifying the board and providing written notification to the employee of the charge, may impose other sanctions, including suspension without pay, public reprimand, or private reprimand. The procedures set forth in subsection (3) of this section shall apply, except to a private reprimand. The employee may appeal the action of the superintendent, except a private reprimand, in the same manner as established in subsections (4) to (8) of this section. Upon completion of a suspension period, an employee shall be reinstated.

SECTION 3. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

If decreased enrollment of pupils, suspension of schools, territorial changes affecting the school district or consolidation, merger, or centralization of schools or school districts, shortage of funds or required compliance with operational guidelines issued by the State Department of Education necessitates a reduction of the number of noncertified school employees, the superintendent may lay off employees within the affected job classifications. Within these classifications, employees with the least seniority shall be laid off first. When a position becomes open, the laid off employee from the job classification for that position with greatest seniority, shall be recalled and given preference over all other applicants. Written notice of recall shall be sent by certified mail, return receipt requested, to the last known address of the noncertified employee. Upon receipt of the notice, the noncertified employee shall have five (5) working days to return to work. Failure to return to work within that time period relieves the superintendent of the obligation to rehire or recall that employee.

The Committee Substitute to **HB 519** is as follows:

(b) "Emancipated minor" means any minor who is or has been married or has by court order or otherwise been freed from the care, custody, and control of her parents; and

(c) "Abortion" means the use of any instrument, medicine, drug or any other substance or device with intent to terminate the pregnancy of a woman known to be pregnant with intent other than to increase the probability of a live birth, to preserve the life or health of the child after live birth, or to remove a dead fetus.

(2) No person shall perform an abortion upon a minor unless:

(a) The attending physician or his agent secured the informed written consent[~~, signed and notarized,~~] of the minor and ***one (1) parent*** [~~both parents, if available,~~] or legal guardian;

(b) [~~If both parents are not available, the attending physician or his agent has secured such written consent from the minor and the available parent or guardian;~~

~~(c)~~] The minor is emancipated and the attending physician or his agent has received the informed written consent[~~, signed and notarized,~~] of the minor; or

(c)[~~(d)~~] The minor elects to petition any circuit or district court of the Commonwealth pursuant to subsection (3) of this section and obtain an order pursuant to subsection (4) of this section granting consent to the abortion and the attending physician or his agent has received the informed written consent[~~, signed and notarized,~~] of the minor.

(3) Every minor shall have the right to petition any circuit or district court of the Commonwealth for an order granting the right to self-consent to an abortion pursuant to the following procedures:

(a) The minor or her next friend may prepare and file a petition setting forth the request of the minor for an order of consent to an abortion;

(b) The court shall insure that the minor prepares or her next friend is given assistance in preparing and filing the petition and shall insure that the minor's identity is kept anonymous;

(e) The court shall hold a hearing on the merits of the petition before reaching a decision. The court shall hear evidence at the hearing relating to the emotional development, maturity, intellect and understanding of the minor; the nature, possible consequences and alternatives to the abortion; and any other evidence that the court may find useful in determining whether the minor should be granted majority rights for the purpose of consenting to the abortion or whether the abortion is in the best interest of the minor.

(a) Granting the petition for an abortion if the court finds that the minor is mature and well-informed enough to make the abortion decision on her own;

(c) Deny the petition, if the court finds that the minor is immature and that performance of the abortion would not be in the minor's best interest.

(5) Any minor shall have the right of anonymous and expedited appeal to the Court of Appeals, and that court shall give precedence over other pending matters.

(6) No fees shall be required of any minor who declares she has no sufficient funds to pursue the procedures provided by this section.

(7) The Supreme Court is respectfully requested to promulgate any rules and regulations it feels are necessary to ensure that proceedings under this section are handled in an expeditious and anonymous manner.

(8) The requirements of subsections (2), (3), and (4) of this section shall not apply when, in the best medical judgment of the physician based on the facts of the case before him, a medical emergency exists that so complicates the pregnancy as to require an immediate abortion. A physician who does not comply with subsection (2), (3), or (4) of this section due to the utilization of this exception shall certify in writing the medical indications upon which his judgment was based.

(9) A report indicating the basis for any medical judgment that warrants failure to obtain consent pursuant to this section shall be filed with the cabinet for human resources on a form supplied by the cabinet. This report shall be confidential.

(10) Failure to obtain consent pursuant to the requirements of this section is prima facie evidence of failure to obtain informed consent and of interference with family relations in appropriate civil actions. The law of this state shall not be construed to preclude the award of exemplary damages in any appropriate civil action relevant to violations of this section. Nothing in this section shall be construed to limit the common law rights of parents.

Those materials shall include, but not be limited to, the request for proposals and the project evaluation sheet to be used by the relevant selection committee. The advertisement shall also set a deadline for filing responses to a request for proposals with the procuring agency.

He shall create a list of the firms which have done so and certify the list.

(6) The procuring agency shall organize the selection committee's first meeting. At that meeting, the selection committee shall:

(a) Elect from among the voting members of the committee a chairman and a vice chairman who shall hold their positions for the duration of the selection committee's participation in the project;

In making this decision, the employee shall take into account the estimated value of the services to be rendered, and the scope, complexity, and professional nature thereof. Should the procuring officer be unable to negotiate a satisfactory contract with the top-ranked firm, at a price that he considers fair and reasonable to the Commonwealth, he shall formally terminate negotiations with the firm. The procuring officer shall then undertake negotiations with the second-ranked firm. Failing accord with the second-ranked firm, the purchasing officer shall formally terminate negotiations. The purchasing officer shall then undertake negotiations with the third-ranked firm. Should the purchasing officer be unable to negotiate a satisfactory contract with any of the selected firms, the selection committee shall select additional firms in order of their competence and qualification, and the purchasing officer shall continue negotiations in accordance with this section until an agreement is reached.

(10) Once a procuring officer has negotiated a contract, the procuring agency shall send a letter to the other finalists, informing them of:

(2) The secretary of the procuring agency, the procuring officer, and each member of the selection committee shall sign separate certificates, devised by the procuring agency, which shall provide the signatory with the option of certifying that, to the best of his knowledge, he is either aware or unaware of circumstances which may constitute a violation of this chapter which has arisen in the procurement process. The representative of the Auditor of Public Accounts shall also sign a certificate stating that the applicable provisions of subsections (4), (6), (7), and (8) of Section 6 of this Act were met.

(3) The procuring agency shall file with the Personal Service Contract Review Subcommittee:

WHEREAS, it was the one hundred and fifteenth county created and was named in honor of General Robert E. Lee; and

WHEREAS, much of the western part of the county is within the Daniel Boone National Forest; and

WHEREAS, the North, South, and Middle Forks of the Kentucky River can be found in the county; and

WHEREAS, as Kentucky approaches its two hundredth anniversary of statehood, it is only fitting and appropriate to honor Lee County's acceptance into the Commonwealth; and

WHEREAS, geography has always had an active influence on the lives of Kentuckians; and

WHEREAS, the varying topography within the state created the diversity that has been a part of Kentucky life from the beginning; and

WHEREAS, in many ways this diversity has served the state well; and

WHEREAS, it is appropriate that the motto of our great state is "United We Stand, Divided We Fall" because with minor exceptions, that thought has been central to the survival of Kentucky throughout its history, from the tumultuous frontier days to the divisions created by the Civil War, to the pressures of changing economic conditions; and

WHEREAS, through all the peaks and valleys, Kentuckians have drawn upon their inner strengths to survive and prosper;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

HR 131, A RESOLUTION honoring small coal operators.

WHEREAS, Kentucky's coal industry represents one of the most important sectors of the state's economy; and

WHEREAS, Kentucky's small coal operators have been an essential part of the industry, providing strength to the industry, and employment and opportunities throughout the coal fields; and

WHEREAS, small coal operators have provided many jobs both directly and indirectly, in geographic areas where jobs have been greatly needed. Small coal operations generally are family owned, and miners live where they mine and are closely tied to the local economy. Small coal operators help provide reasonably priced coal, develop small tracts, support spot markets and small contracts, and provide a critical part of the industry. Twenty-two percent of the coal in the Commonwealth is still produced by small coal operators. This generates around $41 million in severence tax and $123 million in total revenues; and

WHEREAS, Kentucky has the most small operators of any state, but their numbers have vastly decreased. Numbers of small coal operators have declined from several thousand to only around 650 today. The Surface Mining Reclamation and Control Act, and changed markets, contracts, and transportation have caused the decline. This decline has been a tremendous loss to our communities, our state, and our nation;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the small coal operators of the state be commended and honored for their dedication, and their contribution to the stability of our communities, the state's economy, and the American way of life.

Section 2. That the entities of State Government strive to help preserve this most important resource.

HB 101, AN ACT relating to retirement and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.595 is amended to read as follows:

(1) Effective July 1, ***1992*** [~~1990~~], upon retirement at normal retirement date, or subsequent thereto, a member may receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to two and two-tenths percent (2.2%) [~~for the County Employees Retirement System and one and ninety-seven hundredths percent (1.97%) for the Kentucky Employees Retirement System~~] of final compensation multiplied by the number of years of service credit, except that:

(a) The annual normal retirement allowance for members of the General Assembly, who serve during the 1974 or 1976 General Assembly, and will have eight (8) years or more of total legislative service as of January 6, 1978, shall not be less than two hundred forty dollars ($240) multiplied by the number of years of service as a member of the General Assembly;

(b) The annual normal retirement allowance for members of the General Assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 General Assembly for legislative service prior to January 1, 1974;

(c) Former members of the General Assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of two hundred forty dollars ($240) times the years of legislative service, if the member pays to the Kentucky Employees Retirement System thirty-five percent (35%) of the actuarial cost of the higher benefit, as determined by the board, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five percent (65%) of the computed actuarial cost shall be paid from the State Treasury to the Kentucky Employees Retirement System upon presentation of a properly documented claim to the Finance and Administration Cabinet. If any such member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph, and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

(d) The annual normal retirement allowance for a member with ten (10) or more years of service, in the Kentucky Employees Retirement System, at least one (1) of which is current service, shall not be less than five hundred twelve dollars ($512); and

(e) The annual retirement allowance for a member of the Kentucky employees retirement system or County Employees Retirement System shall not exceed the maximum benefit as set forth in the Internal Revenue Code.

(2) (a) Upon service retirement prior to normal retirement date, a member may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his actual retirement, but the amount of the retirement allowance so determined shall be reduced to reflect the earlier commencement of benefits.

(b) There shall be no reduction in the retirement allowance of the member who has thirty (30) or more years of service credit, at least fifteen (15) of which are current service but a member of the Kentucky Employees Retirement System or the County Employees Retirement System who has twenty-seven (27) or more years of service credit, at least fifteen (15) of which are current service, may retire with no reduction in the retirement allowance. A member who has earned vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education may count the vested service toward attaining thirty (30) years of service credit to qualify for an unreduced retirement allowance. The credit from a Kentucky institution of higher education shall not be used, however, to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of Teachers' Retirement System credit pursuant to KRS 61.680(2)(a).

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the state treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is one dollar ($1) greater or less than the amount of the initial retirement payment.

Section 2. KRS 61.691 is amended to read as follows:

(1) ***Beginning July 1, 1992 and continuing each July 1 thereafter, the board shall increase retirement allowances for each recipient of a retirement allowance under KRS 16.510 to 16.652, 61.515 to 61.705 and 78.520 to 78.852 out of the rate margin for each respective system. For this purpose, the rate margins for hazardous and nonhazardous categories of the Kentucky Employees Retirement System and the County Employees Retirement System shall be calculated separately. Each recipient shall receive an increase equal to the increase in the consumer price index for all urban consumers for the preceding calendar year, but no more than five percent (5%) and no more than can be supported by the rate margin for the system from which the recipient has retired. If the rate margin is not sufficient to fund the allowable increase, the board shall fund in that year so much of the increase as can be paid out of the margin. The board shall fund the deficiency on a deferred basis out of the rate margins of any of the four (4) subsequent years, if funds are sufficient after payment of the allowable increase for the year in question*** [~~The board shall increase retirement allowances each year of the biennium by fifty percent (50%) of the rate margin for the nonhazardous members of the Kentucky Employees Retirement System as determined by the board's actuary in the annual actuarial valuation prior to the biennium with a maximum increase of five percent (5%) per year, as averaged over a five (5) year period. The first period for averaging shall be from July 1, 1986, to August 1, 1990. Each year thereafter, the next year shall be added and the first year shall be dropped from the five (5) year averaging period~~].

(2) [~~Effective August 1, 1990, each recipient of a retirement allowance under KRS 16.510 to 16.652 and 61.515 to 61.705 and 78.520 to 78.852 whose retirement date preceded January 1, 1982, shall have his benefits increased two dollars and fifty cents ($2.50) for each year the retirement allowance has been drawn. This increase in retirement allowance shall be calculated and applied to the recipient's retirement allowance prior to any other increase provided for in this section.~~

~~(3) Effective August 1, 1990, and July 1, 1991, a recipient of a retirement allowance under KRS 16.510 to 16.652 and 61.515 to 61.705 and 78.520 to 78.852 shall have his retirement allowance increased by two and nine-tenths percent (2.9%).~~

~~(4)~~] A re-employed retired member whose payments are suspended as provided under KRS 61.637 shall be eligible for an increase in his suspended retirement allowance as provided under this section, computed as if he were receiving the retirement allowance at the time the increase under this section is effective.

Section 3. Whereas, retirement checks are processed on a monthly basis and administrative difficulties would result if retirement factors were to change in the middle of a month, an emergency is declared to exist, and this Act shall take effect on July 1, 1992.

Section 2. KRS 164A.300 is amended to read as follows:

(1) The General Assembly of the Commonwealth of Kentucky hereby declares as a legislative finding of fact that the general welfare and well-being of the Commonwealth are directly related to the educational levels and skills of the citizens of the Commonwealth. Therefore, a vital and valid public purpose of the Commonwealth is served by the creation and implementation of programs which encourage and make possible the attainment of higher education by the greatest number of citizens of the Commonwealth.

(2) The General Assembly finds, declares and recognizes that the Commonwealth has limited resources to provide additional programs for higher education funding and that the continued operation and maintenance of the institutions of higher education in Kentucky and the general welfare of the citizens and the Commonwealth will be enhanced by creation of a program pursuant to which citizens and others may invest money in a public trust for future application to the payment of higher education costs in the Commonwealth and elsewhere and that the creation of a means of encouragement of citizens in the investment of funds for such future higher education application represents the carrying out of a valid and vital public purpose of the Commonwealth. In order to make available to the citizens of the Commonwealth an opportunity to fund future higher education needs for beneficiaries with certain public assistance, it is necessary that a public trust be established in which the citizens of the Commonwealth and others may invest moneys for future educational use. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.090 is amended to read as follows:

(1) Under the provisions of this chapter and regulations adopted by the cabinet, an operator shall prepare and carry out a method of operation, plan of grading and backfilling, and a reclamation plan for the area of land affected by his operation. In developing a method of operation, and the plans of backfilling, grading and reclamation, all measures shall be taken to eliminate damages to members of the public, their real and personal property, public roads, streams, and all other public property from soil erosion, rolling stones and overburden, water pollution, and hazards dangerous to life and property. The permit application containing the required plans and other information as required shall be submitted to the cabinet and, except for applications or renewals submitted in compliance with KRS 350.060(2), the cabinet shall notify the applicant by certified mail, return receipt requested, within sixty-five (65) cumulative working days after receipt of a complete application if it is or is not acceptable. In the event that applicable notice, hearing, and conference procedures prevent a decision from being issued within the sixty-five (65) cumulative working day period, the cabinet shall have additional reasonable time to issue its decision, but not to exceed twenty (20) days from the completion of the notice, hearing, and conference procedures. If the permit application is not acceptable, the cabinet shall set forth the reasons for which the application or plans are not acceptable and it may propose modifications, delete areas or reject the entire application. Should the applicant disagree with the decision of the cabinet, he may, by written notice, request a hearing conducted by the cabinet in the manner provided by KRS 224.10-440. The cabinet shall notify the applicant by certified mail, return receipt requested, within twenty (20) days after the hearing of its decision. Any person aggrieved by a final order of the cabinet may appeal through the courts as set forth in KRS 224.10-470***, except that only the Circuit Court of the county in which the mine is located shall be the proper venue of appeal.***

(2) If the operator desires to seek funds from the reclamation development fund to develop an economic development unit during reclamation, the operator shall submit, along with the reclamation plan, a reclamation development plan outlining the reclamation development project and showing how it will conform with the reclamation standards of this chapter.

(3) No operator shall throw, dump, pile, or permit the dumping, piling, or throwing or otherwise placing any overburden, stones, rocks, coal, particles of coal, earth, soil, dirt, debris, trees, wood, logs, or any other materials or substances of any kind or nature beyond or outside of the area of land which is under permit and for which bond has been posted under KRS 350.060 or place such materials herein described in such a way that normal erosion or slides brought about by natural physical causes will permit the materials to go beyond or outside of the area of land which is under permit and for which bond has been posted under KRS 350.060.

Section 2. KRS 350.465 is amended to read as follows:

(1) The provisions of this section and ***administrative*** regulations promulgated pursuant thereto***,*** [~~(~~]except with regard to the mining of clay, limestone, sand, gravel, fluorspar, stone, and rock asphalt***,***[~~)~~] shall apply to the regulation of all surface coal mining and reclamation operations in the Commonwealth in the event that the Commonwealth receives from the United States Department of Interior and pursuant to the Surface Mining Control and Reclamation Act of 1977***,*** [~~(~~]P.L.95-87***,***[~~)~~] approval of a permanent state regulatory program, and the Commonwealth has promulgated ***administrative*** regulations pursuant to this section.

(2) The Natural Resources and Environmental Protection Cabinet is hereby authorized and directed to prepare, develop, and promulgate a comprehensive permanent regulatory program for the implementation of the Surface Mining Control and Reclamation Act of 1977, [~~(~~]P.L. 95-87,[~~)~~] for the purpose of accepting and administering primary enforcement responsibilities pursuant to that act. The implementation of this section shall contain procedures similar to the Surface Mining Control and Reclamation Act of 1977, [~~(~~]P.L. 95-87,[~~)~~] and shall require surface coal mining operation performance standards no more stringent than provided for in that act. Nothing ***in this section*** [~~herein~~] shall be construed to empower the cabinet to adopt a regulatory program in conflict with the policy and purposes of the Surface Mining Control and Reclamation Act of 1977, [~~(~~]P.L. 95-87[~~)~~]. To that end, the Natural Resources and Environmental Protection Cabinet shall include in its permanent regulatory program:

(a) Environmental protection performance standards to prevent or minimize the adverse environmental effects of surface coal mining and reclamation operations on the land and water resources of the Commonwealth.

(b) A procedure for designating as being unsuitable for mining certain lands because of their topographical, geological, hydrological, climatological, biological, or chemical characteristics or historical, cultural, scientific, or aesthetic values.

(c) Procedures and regulations for the allowance of those persons having an interest which is or may be adversely affected to have the opportunity to be heard at every significant or critical part of the administrative and judicial process, including, but not limited to, the permit review and issuance process, the general enforcement process and hearings incident thereto, and the rulemaking procedures conducted by the cabinet; and procedures and regulations for persons having a valid legal interest which is or may be adversely affected by the setting, release, and inspection of bonds to have an opportunity to be heard at every significant or critical part of the administrative and judicial process relating to bonds. Such regulations shall provide reasonable procedures for notice and an opportunity to be heard, access to minesites, access to records, and other reasonable procedures to accomplish the purposes of this chapter.

(d) Procedures for the administrative and judicial review of all actions of the cabinet to administer and enforce the provisions of this chapter, including the award of costs and expenses, [~~(~~]including attorney's fees and expert witness fees,[~~)~~] by the cabinet or the court.

(e) Plans and procedures for the reclamation and restoration of land and water resources affected by mining which have been abandoned or inadequately reclaimed to the standards imposed by this section and for which no bond is held or legal obligation to reclaim continues. Such plan shall include provisions for the imposition of liens for necessary reclamation expenditures made on private property.

(f) Procedures for the assumption of the small operator assistance program pursuant to the Surface Mining Control and Reclamation Act of 1977, [~~(~~]P.L. 95-87[~~)~~]. The cabinet shall assume and implement that program and apply for and administer funds as may be provided pursuant to that act and such state funds as may be provided for the program.

(3) In addition to any other authority, power, and duty vested in it by law, the cabinet shall have and exercise broad authority, power, and duty to:

(a) Require those persons who wish to engage in surface coal mining and reclamation operations to submit application for a permit from the cabinet to conduct such operations, and to include in that application all information required by the cabinet pertaining to that operation.

(b) Issue, deny, or modify under such conditions as the cabinet may prescribe, permits to conduct surface coal mining and reclamation operations within the Commonwealth.

(c) Enter and inspect any permitted surface coal mining and reclamation operation or any known or suspected unpermitted mining operation for the purpose of ascertaining compliance with any provision of this chapter or of the permit.

(d) Order the cessation of mining activities, and if necessary impose affirmative abatement obligations, upon the operator when, upon inspection, the cabinet determines that this section or any permit condition is being or has been violated so as to constitute an imminent and inordinate peril to the welfare of the Commonwealth.

(e) Order an operator to comply with the requirements of this section or his permit if inspection reveals a violation of the conditions of his permit or of any provision of this section.

(f) Order an operator to appear and show cause why his permit should not be suspended or revoked and his bond forfeited if the cabinet determines that the operator or the permitted operation has a pattern of violations of this section or permit conditions, and has wilfully violated this section or permit conditions or a pattern of violations exists and that such violations are caused by the permittees' unwarranted failure to comply with this section or permit conditions.

(g) Require, increase, release***,*** or decrease, under such conditions as the cabinet may prescribe reclamation performance bonds and cause the forfeiture and collection of those bonds where the permittee has abandoned the operation or for which the permit under which the bond was given has been revoked or has expired without the required reclamation.

(h) To administratively impose, in lieu of those civil penalties provided for in KRS 350.990, civil penalties of up to five thousand dollars ($5,000) per day for violations of permit conditions, this section, or any orders of the cabinet and enforce the administrative assessment of such penalties by initiating civil action in the [~~Franklin~~] Circuit Court ***of the county in which the mine is located*** [~~or in any court having jurisdiction of the defendant~~].

(i) Conduct hearings and make investigations of any matter relating to the regulation of surface coal mining and reclamation operations, and provide for the assessment and payment of civil penalties including the placement of proposed civil penalty assessments into an escrow account prior to a contest on the amount of the assessment, consistent with the process of law.

(j) Provide for variances or exceptions consistent with KRS 350.450 from or in addition to mining performance standards, recognizing the specific characteristics inherent in:

1. Steep slope mining;

2. Mountaintop removal;

3. Relatively low acreage disturbance or annual coal production;

4. Prime farmland mining as defined by the United States department of agriculture, and to provide for other variances where land uses and watersheds will be improved; and

5. Post-mining uses different from and as beneficial as the pre-mining uses.

(k) Receive and expend funds or aid from whatever source to accomplish the purposes of this chapter.

(l) Propose and promulgate ***administrative*** regulations to accomplish the purposes of this section.

(4) The cabinet shall not promulgate ***administrative*** regulations which are inconsistent with the Surface Mining Control and Reclamation Act of 1977***,*** [~~(~~]P.L. 95-87[~~)~~].

(5) Any person who violates a provision of this section or the ***administrative*** regulations promulgated pursuant thereto shall be subject to those penalties and remedies set forth in KRS 350.990 except as provided for in subsection (3)(h) ***of this section*** [~~herein~~].

Section 3. KRS 350.990 is amended to read as follows:

(1) Any person or operator who violates any of the provisions of this chapter or ***administrative*** regulations adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided in this chapter, or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for the violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which the violation continues, and in addition, may be enjoined from continuing the violations provided in this section. Any operator or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which the violation continues. A civil penalty of not more than five thousand dollars ($5,000) for each day shall be assessed against any person issued an order pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of the method for calculating monetary penalties if he or she determines that, taking

into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's Department of Law. The [~~Franklin~~] Circuit Court ***of the county in which the mine is located*** shall hold ***exclusive*** [~~concurrent~~] jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars ($800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and 350.700 to 350.755. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

(2) Any person who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person who engages in other mining operations, without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing the violations. Each day shall constitute a separate violation. In addition to the foregoing penalties, any person or operator who fails to abate a violation of KRS 350.060 or KRS 350.029 or KRS 350.057, as noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement, shall be assessed an additional civil penalty of not less than seven hundred and fifty dollars ($750) for each day during which the violation continues. However, the penalties provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) The cabinet's Department of Law shall bring an action for the recovery of penalties and bring an action for a restraining order, temporary or permanent injunction, against any operator or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The [~~Franklin~~] Circuit Court ***of the county in which the mine is located*** shall hold ***exclusive*** [~~concurrent~~] jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders, and administrative regulations of the cabinet promulgated pursuant thereto.

(4) Any person who knowingly and willfully violates any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order promulgated pursuant to the sections of this chapter which have become final, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than ten thousand dollars ($10,000) or by imprisonment for not more than one (1) year, or both. Each day on which the violation occurs may constitute a separate offense.

(5) (a) Any person who, in violation of KRS 350.060(1)(a) willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person who willfully and knowingly engages in other mining operations without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, with the intent to violate the laws, shall be guilty of a Class D felony and upon conviction shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

(b) Any person who in violation of KRS 350.060(1)(b) willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers, or in any way derives benefit from coal removed from any surface mining operations conducted in violation of KRS 350.060(1)(a) or 350.057 shall be guilty of a Class D felony and upon conviction thereof shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

(6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any person who knowingly makes any false statement, representation or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a misdemeanor and shall be imprisoned for a term of up to one (1) year, or be fined not more than ten thousand dollars ($10,000), or both.

(8) Except as permitted by law, any person who willfully and knowingly resists, prevents, impedes, or interferes with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall, upon conviction, be fined not more than five thousand dollars ($5,000) or imprisoned for not more than one (1) year, or both.

(9) When a corporate permittee violates any provision of this chapter or administrative regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(10) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky Department of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.

(11) The cabinet, upon written request by any person or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet Division of Abandoned Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

The license plate and decal on this other vehicle shall be turned in to the county clerk, who will forward the license plate to Frankfort.

(4) In the event a prisoner of war license plate is lost, stolen or mutilated, if the owner or lessee has not transferred a vehicle during the current license period, he may obtain a regular plate free of charge. In the event a prisoner of war license plate, within five (5) years of the date of its issue, deteriorates to the point where the inscriptions thereon are not discernible, the owner or lessee may obtain a replacement plate free of charge.

(b) Or upon the transfer of ownership of any motor vehicle previously registered in this state.

(3) The tax collected by the county clerk under this section shall be reported and remitted to the Revenue Cabinet on forms provided by the cabinet and on such forms as the cabinet may prescribe. (4) No county clerk or other officer shall register or issue any license tags to the owner of any motor vehicle subject to this tax, when the vehicle is then being offered for registration for the first time, or transfer the ownership of any motor vehicle previously registered in this state, unless the owner or his agent pays the tax levied under this section in addition to the transfer, registration, and license fees.

(5) When a resident of this state offers a motor vehicle for registration for the first time in this state which was registered in another state that levied a tax substantially identical to the tax levied under this section, such person shall be entitled to receive a credit against the tax imposed by this section equal to the amount of tax paid to the other state. No credit shall be given under this subsection for taxes paid in another state if that state does not grant similar credit for substantially identical taxes paid in this state.

In the case of a new motor vehicle, the registration of the returned vehicle shall be canceled and the vehicle shall be considered to have not been previously registered in Kentucky when resold by the dealer.

(9) When a manufacturer refunds the retail purchase price or replaces a new motor vehicle for the original purchaser within ninety (90) days because of malfunction or defect, the purchaser shall be entitled to a refund of the amount of motor vehicle usage tax received by the Revenue Cabinet as a result of the first registration. No person shall be entitled to a refund unless he shall have filed with the Revenue Cabinet a report from the manufacturer identifying the vehicle that was replaced and stating the date of replacement.

HCR 49, A CONCURRENT RESOLUTION encouraging the Kentucky Department of Highways to consider various alternative financing methods for the development of Kentucky's roads.

WHEREAS, the Task Force to Study Highway Needs held public hearings and discussed various highway needs in the state and the development of a highway corridor system in Kentucky; and

WHEREAS, the Task Force studied various means to finance the development of these roads in the state; and

WHEREAS, nationally, toll roads are considered an integral part of the financing of highways, contributing 5% of the total state generated revenue available for highways; and

WHEREAS, toll road receipts as a source of revenue for Kentucky's Road Fund have steadily declined over the last decade because of the state's policy of removing tolls from highways once construction bonds have been retired; and

WHEREAS, discussions between governmental entities and the Task Force revealed various means by which local governments could participate on highway improvement projects through intergovernmental agreements which utilize criteria to determine levels of participation; and

WHEREAS, the Task Force also discussed the privitization of roads as used in the Dulles Access Road and Route 28 projects; and

WHEREAS, the Task Force concluded that all means of alternative financing should be explored in order to take full advantage of the resources available to develop Kentucky's roads;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That the Transportation Cabinet should be urged to give full consideration to toll roads as a viable alternative financing decision for Kentucky's roads if they can be supplemented by federal participation.

Section 2. That intergovernmental agreements, where two or more governmental entities jointly participate in bringing the completion of highway projects to fruition, should be encouraged.

Section 3. That privitization as a means to accelerate the completion of projects should be explored and encouraged.

Section 4. That the Transportation Cabinet should make every effort to give priority funding to projects within the corridor system developed by the Task Force when these projects are eligible for federal aid.

Section 5. That a copy of this Resolution be forwarded to the Secretary of the Transportation Cabinet, the State Highway Engineer, and the Governor of the Commonwealth of Kentucky.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 403.160 is amended to read as follows:

(1) In a proceeding for dissolution of marriage or for legal separation, or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.

(2) ***(a) In a proceeding for dissolution of marriage, legal separation, or child support, either party may move for temporary child support. The motion shall be accompanied by an affidavit setting forth the number of children of the marriage and the information required to calculate the combined adjusted parental gross income set forth in KRS 403.212(f). The court*** [~~Upon motion by either party, accompanied by an affidavit setting forth the number of children of the marriage and income of the parties, with notice to the opposing party, the court, without a hearing, within fourteen (14) days from the filing of said motion,~~] shall order an amount of temporary child support based upon the child support guidelines as provided by law ***and the ordered temporary child support shall be retroactive to the date of the filing of the motion unless otherwise***

ordered by the court [~~; the order effective immediately; either party may move for a hearing before the court to contest or modify the order pursuant to the rules of the local court~~].

(b) Upon a showing of good cause, either party may move the court to enter an order for temporary child support without written or oral notice to the adverse party. After reviewing the affidavit required by paragraph (a) of this subsection, the court may issue a temporary child support order based upon the child support guidelines. The order shall provide that the order becomes effective seven (7) days following service of the order and movant's affidavit upon the adverse party unless the adverse party, within the seven (7) day period, files a motion for a hearing before the court. The motion for hearing shall be accompanied by the affidavit required by paragraph (a) of this subsection and, pending the hearing, the adverse party shall pay child support in an amount based upon the guidelines and the adverse party's affidavit. The child support order entered following the hearing shall be retroactive to the date of the filing of the motion for temporary support unless otherwise ordered by the court.

(3) As part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction or restraining order pursuant to the Rules of Civil Procedure.

(4) On the basis of the showing made and in conformity with KRS 403.200 [~~and the child support guidelines set forth in KRS 403.212~~], the court may issue a temporary injunction or restraining order and an order for temporary maintenance [~~or support~~] in amounts and on terms just and proper in the circumstances.

(5) A temporary order or temporary injunction:

(a) Does not prejudice the rights of the parties or the child which are to be adjudicated at subsequent hearings in the proceeding;

(b) May be revoked or modified before final decree on a showing of the facts necessary to revocation or modification under the circumstances; and

(c) Terminates when the final decree is entered or when the petition for dissolution or legal separation is voluntarily dismissed.

Section 2. KRS 403.211 is amended to read as follows:

(1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.

(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:

(a) A child's extraordinary medical or dental needs;

(b) A child's extraordinary educational, job training, or special needs;

(c) Either parent's own extraordinary needs, such as medical expenses;

(d) The independent financial resources, if any, of the child or children;

(e) Combined parental income in excess of the Kentucky child support guidelines;

(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the federal Social Security Act; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.

(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

(6) ***The court shall allocate reasonable and necessary child-care costs incurred due to employment, job search, or education leading to employment between the parents in proportion to their adjusted gross income, in addition to the amount ordered under the child support guidelines*** [~~The court, in its discretion, may order all or any part of child-care costs to be paid by either or both of the parents of the child, and if ordered, shall be in addition to the amount ordered under the child support guidelines~~].

(7) The court ***shall*** [~~may, in its discretion,~~] order the cost of [~~reasonable~~] health ***care*** insurance coverage of the child to be paid by either or both parents of the child[~~. However, in all child support orders being established, modified, or enforced by the Cabinet for Human Resources, the court shall provide for health care coverage for dependent children~~] if reasonable ***and available*** under all the circumstances.[~~;~~] If health care ***insurance*** coverage is not ***reasonable and*** [~~presently~~] available ***at the time the request for the coverage is made***, the ***court*** order shall provide for health care ***insurance*** coverage at ***the*** [~~such~~] time [~~as~~] it becomes ***reasonable and*** [~~reasonably~~] available.

(8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their adjusted gross incomes. Extraordinary medical expenses means uninsured expenses in excess of two hundred dollars ($200) per child per year. Extraordinary medical expenses shall include, but shall not be limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.

Section 3. KRS 403.212 is amended to read as follows:

(1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.

(2) For the purposes of the child support guidelines:

(a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.

(b) "Gross income" includes income from any source, except as excluded in this subsection, and includes, but is not limited to, income from salaries, wages, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including, but not limited to, Aid to Families with Dependent Children (AFDC), Supplemental Security Income (SSI) and food stamps.

(c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.

(d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community.

(e) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.

(f) "Combined adjusted parental gross income" means the combined gross incomes of both parents, less any of the following payments made by the parent:

1. The cost of health insurance coverage for the child; and

2. ***The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court.***

(3) The amount of pre-existing orders of ***current*** child support ***for prior born children*** to the extent payment is actually made under ***the*** [~~such~~] orders.

(4) If a parent is legally responsible for and is actually providing support for other prior born children who are not the subject of this particular proceeding, a deduction for the support shall be allowed to the extent payment is made. If the prior born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior born children.

(5)[~~(3)~~] The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their adjusted gross income.

(6)[~~(4)~~] The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. ***The minimum amount of child support shall be sixty dollars ($60) per month.***

(7)[~~(5)~~] The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.

(8)[~~(6)~~] The child support guidelines table is as follows:

Section 4. KRS 403.213 is amended to read as follows:

(1) The Kentucky child support guidelines may be used by the parent, custodian, or agency substantially contributing to the support of the child as the basis for periodic updates of child support obligations. The provisions of any decree respecting child support may be modified only as to installments accruing subsequent to the filing of the motion for modification and only upon a showing of a material change in circumstances that is substantial and continuing.

(2) Application of the Kentucky child support guidelines to the circumstances of the parties at the time of the filing of a motion or petition for modification of the child support order which results in equal to or greater than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed to be a material change in circumstances. Application which results in less than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed not to be a material change in circumstances. For the one (1) year period immediately following enactment of this statute, the presumption of material change shall be a twenty-five percent (25%) change in the amount of child support due rather than the fifteen percent (15%) stated above.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child shall be terminated by emancipation of the child ***unless the child is a high school student when he reaches the age of eighteen (18). In cases where the child becomes emancipated because of age while still a high school student, the court ordered support shall continue while the child is a high school student, but not beyond completion of the school year during which the child reaches the age of nineteen (19) years. Provisions for the support of the child shall not be terminated*** [~~but not~~] by the death of a parent obligated to support the child. If a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump-sum payment, to the extent just and appropriate in the circumstances.

(4) The child support guidelines table shall be reviewed at least once every four (4) years by a commission consisting of the following persons:

(a) The secretary of the Cabinet for Human Resources or a supervisory staff person designated by him;

(b) Two (2) members of the Kentucky Bar Association who have at least six (6) consecutive years, experience and are presently practicing domestic relations cases, one (1) member from a metropolitan or large urban area and one (1) member from a less populated area;

(c) Two (2) Circuit Judges appointed by the Chief Justice of the Kentucky Supreme Court, one (1) from a metropolitan or large urban area, and one (1) from a less populated area;

(d) One (1) District Judge appointed by the Chief Justice of the Kentucky Supreme Court;

(e) Two (2) county attorneys appointed by the president of the County Attorneys Association, one (1) from a metropolitan or large urban area and one (1) from a less populated area; and

(f) The Attorney General or his designee, who shall be an attorney from his office.

(5) The commission shall make a recommendation to the Kentucky General Assembly to ensure that the child support guidelines table results in a determination of appropriate child support amounts.

Section 5. KRS 405.430 is amended to read as follows:

(1) When a parent who fails to support a child is not obligated to provide child support by court order, the cabinet may determine the parent's minimum monthly child support obligation and proportionate share of child care costs incurred due to employment or job search of either parent, or incurred while receiving elementary or secondary education, or higher education or vocational training which will lead to employment. The monthly child support obligation shall be determined pursuant to the Kentucky child support guidelines set forth in KRS 403.212. The actual cost of child care shall be reasonable and shall be allocated between the parents in the same proportion as each parent's gross income, as determined under the guidelines, bears to the total family gross income.

(2) The cabinet may modify a parent's child support obligation or child care obligation as established by the cabinet on its own or upon a parent's petition, but only upon a finding of the conditions described for judicial modification of a support order.

(3) In establishing a parent's monthly child support obligation, the cabinet may utilize information about the parent and child which it has good reason to believe is reliable and may require the parents to provide income verification.

(4) No person shall knowingly make, present, or cause to be made or presented to an employee or officer of the cabinet any false, fictitious, or fraudulent statement, representation, or entry in any application, report, or document used in determining child support or child-care obligations.

Section 6. KRS 405.991 is amended to read as follows:

(1) Any person or corporation violating the provisions of KRS 405.465 or 405.467 shall be fined not more than five hundred dollars ($500) or be imprisoned in the county jail for not more than one (1) year, or both.

(2) A person who violates subsection (2) of KRS 405.490 shall pay the cabinet the value of the property ordered to be held or the delinquent child support, whichever is lesser, plus interest thereon at the legal rate for judgments, court costs, and reasonable attorney's fees.

(3) A person who violates subsection (4) of KRS 405.430 shall be guilty of a Class A misdemeanor and, in addition to any other penalties provided by law, shall be responsible for payment of any difference between the amount of child support calculated using the correct information and the prior calculation using the false information.

Section 7. KRS 427.045 is amended to read as follows:

The exemptions provided in KRS ***342.180 and*** 427.010 to 427.040 shall not apply for executions, attachments, or garnishments, issued for the collection of maintenance of minor children.

Section 8. KRS 514.040 is amended to read as follows:

(1) A person is guilty of theft by deception when he obtains property or services of another by deception with intent to deprive him thereof. A person deceives when he intentionally:

(a) Creates or reinforces a false impression, including false impressions as to law, value, intention, or other state of mind;

(b) Prevents another from acquiring information which would affect his judgment of a transaction;

(c) Fails to correct a false impression which the deceiver previously created or reinforced or which the deceiver knows to be influencing another to whom he stands in a fiduciary or confidential relationship;

(d) Fails to disclose a known lien, adverse claim, or other legal impediment to the enjoyment of property which he transfers or encumbers in consideration for the property obtained, whether ***the*** [~~such~~] impediment is or is not valid or is or is not a matter of official record; or

(e) Issues or passes a check or similar sight order for the payment of money, knowing that it will not be honored by the drawee.

(2) The term "deceive" does not, however, include falsity as to matters having no pecuniary significance or puffing by statements unlikely to deceive ordinary persons in the group addressed.

(3) Deception as to a person's intention to perform a promise shall not be inferred from the fact alone that he did not subsequently perform the promise.

(4) For purposes of subsection (1) of this section, ***a maker*** [~~an issuer~~] of a check or similar sight order for the payment of money is presumed to know that the check or order, other than a postdated check or order, would not be paid, if:

(a) The ***maker*** [~~issuer~~] had no account with the drawee at the time the check or order was issued;

(b) Payment was refused by the drawee for lack of funds, upon presentation within thirty (30) days after issue, and the issuer failed to make good within ten (10) days after receiving notice of that refusal. ***A maker*** [~~An issuer~~] makes good on a check or similar sight order for the payment of money by paying to the holder the face amount of the instrument, together with any fee to be imposed pursuant to subsection (4)(c) of this section; or

(c) If a county attorney issues notice to ***a maker*** [~~an issuer~~] that a drawee has refused to honor an instrument due to a lack of funds as described in subsection (4)(b) of this section, the county attorney may charge a fee to the ***maker*** [~~holder~~] of ***ten*** [~~five~~] dollars ***($10)*** [~~($5)~~], if ***the*** [~~said~~] instrument is paid.

(5) A person is guilty of theft by deception when he issues a check or similar sight order in payment of all or any part of any tax payable to the Commonwealth knowing that it will not be honored by the drawee.

(6) ***A person is guilty of theft by deception when he issues a check or similar sight order in payment of all or any part of a child support obligation knowing that it will not be honored by the drawee.***

(7) Theft by deception is a Class A misdemeanor unless the value of the property, service, or the amount of the check or sight order referred to in subsection (5) ***or (6)*** of this section is one hundred dollars ($100) or more, in which case it is a Class D felony.

SECTION 9. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

In any proceeding in which a court orders child support, the court shall determine which party may claim which child or children as dependents for income tax purposes.

SECTION 10. A NEW SECTION OF KRS CHAPTER 406 IS CREATED TO READ AS FOLLOWS:

As used in KRS 406.011 to 406.180:

(1) "Genetic markers" means separate identifiable genes or complexes of genes generally isolated as a result of blood typing, at least seven (7) of which are normally tested in a paternity proceeding.

(2) "Genetic tests" means blood or tissue typing tests including, but not limited to, tests of red cell antigens, red cell isoenzymes, human leukocyte antigens, serum proteins, electrofloresis, or deoxyribonucleic acid.

(3) "Paternity index" means the commonly accepted indicator used for denoting the existence of paternity. It represents the mathematically computed probability that the putative father is the true father of the child, as opposed to any other man of similar ethnic background. The paternity index, computed using results of various paternity tests following accepted statistical principles for the computation of probability, shall be in accordance with the method of expression accepted by the American Association of Blood Banks.

Section 11. KRS 406.041 is amended to read as follows:

The obligation of the estate of the father for liabilities under this chapter ***shall not be terminated by the death of the father obligated to support the child. If a father obligated to support the child dies, the amount of support may be modified, revoked, or commuted to a lump-sum payment, to the extent just and appropriate in the circumstances*** [~~is limited to amounts accrued prior to his death and such sums as may be payable for dependence under other laws~~].

Section 12. KRS 406.081 is amended to read as follows:

The court, upon request of a party or on its own motion, shall order the mother, child, and alleged father to submit to ***genetic*** [~~blood~~] tests. If the mother refuses for herself or on behalf of the child to submit to ***the*** [~~such~~] tests, the court may resolve the question of paternity against her unless ***the*** [~~such~~] action is brought by or is being prosecuted by an agency contributing to the support of the child.

Section 13. KRS 406.091 is amended to read as follows:

(1) If a ***genetic*** [~~blood~~] test is required, the court shall direct that inherited characteristics[~~, including but not limited to blood tests,~~] be determined by appropriate testing procedures, and shall appoint an expert qualified as an examiner of genetic markers to analyze and interpret results and to report to the court.

(2) ***Genetic*** [~~Blood~~] test results are admissible and shall be weighed along with other evidence of the alleged father's paternity.

(3) If the results of ***genetic*** [~~blood~~] tests or the expert's analysis of inherited characteristics is disputed, the court, upon reasonable request of a party, shall order that an additional test be made by the same laboratory or independent laboratory at the expense of the party requesting additional testing.

(4) Verified documentation of the chain of custody in transmitting the blood specimens is competent evidence to establish the chain of custody.

(5) A verified expert's report shall be admitted at trial unless the expert is called by a party or the court as a witness to testify to his findings.

(6) All costs associated with ***genetic*** [~~blood~~] testing shall be paid by the parties in proportions [~~and at times~~] determined by the court.

Section 14. KRS 406.111 is amended to read as follows:

If the court finds that the conclusions of all the experts, as disclosed by the evidence based upon the tests, are that the alleged father is not the father of the child, the question of paternity shall be resolved accordingly. If the experts disagree in their findings or conclusions, the question may be submitted upon all the evidence. If the ***court finds that the statistical probability of paternity equals or exceeds ninety-nine percent (99%), as calculated by the experts qualified as examiners of genetic markers, and that the paternity index, as calculated by the experts qualified as examiners of genetic markers, is one hundred (100) to one (1) greater, there is a rebuttable presumption, affecting the burden of proof, of paternity. This presumption shall only be rebutted by a preponderance of the evidence. If the presumption is not rebutted, the court shall enter a summary judgment of paternity, pursuant to Rule 56 of the Rules of Civil Procedure*** [~~experts conclude that the blood tests show the possibility of the alleged father's paternity, admission of this evidence is within the discretion of the court, depending upon the infrequency of the blood type~~].

Section 15. KRS 205.200 is amended to read as follows:

(1) A needy aged person, a needy blind person, a needy child, a needy permanently and totally disabled person, or a person with whom a needy child lives shall be eligible to receive a public assistance grant only if he has made a proper application or an application has been made on his behalf in the manner and form prescribed by administrative regulation. No individual shall be eligible to receive public assistance under more than one (1) category of public assistance for the same period of time.

(2) The secretary shall, by administrative regulations, prescribe the conditions of eligibility for public assistance in conformity with the public assistance titles of the Social Security Act, its amendments, and other federal acts and regulations. The secretary shall also promulgate administrative regulations to allow for between a forty percent (40%) and a forty-five percent (45%) ratable reduction in the method of calculating eligibility and benefits for aid to families with dependent children. In no instance shall grants to families with no income be less than the appropriate aid to families with dependent children grant maximum. As used in this section, "ratable reduction" means the percentage reduction applied to the deficit between the family's countable income and the standard of need for the appropriate family size.

(3) ***The secretary shall establish the standard of need for determining eligibility for aid to families with dependent children by the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A.***

(4) The secretary may by administrative regulation prescribe as a condition of eligibility that a needy child regularly attend school, and may further by administrative regulation prescribe the degree of relationship of the person or persons in whose home such needy child must reside.

(5)[~~(4)~~] The secretary may by administrative regulation prescribe conditions for bringing paternity proceedings or actions for support in cases of out of wedlock birth or nonsupport by a parent in the aid to families with dependent children program.

(6)[~~(5)~~] Public assistance shall not be payable to or in behalf of any individual who has taken any legal action in his own behalf or in the behalf of others with the intent and purpose of creating eligibility for such assistance.

(7)[~~(6)~~] The cabinet shall promptly notify the appropriate law enforcement officials of the furnishing of aid to families with dependent children in respect to a child who has been deserted or abandoned by a parent.

(8)[~~(7)~~] No person shall be eligible for public assistance payments if, after having been determined to be potentially responsible, and afforded notice and opportunity for hearing, he refuses without good cause:

(a) To register for employment with the state employment service,

(b) To accept suitable training, or

(c) To accept suitable employment.

The secretary may prescribe by administrative regulation standards of suitability for training and employment.

(9)[~~(8)~~] To the extent permitted by federal law, scholarships, grants or other types of financial assistance for education shall not be considered as income for the purpose of determining eligibility for public assistance.

(10)[~~(9)~~] To the extent permitted by federal law, any money received because of a settlement or judgment in a lawsuit brought against a manufacturer or distributor of "Agent Orange" for damages resulting from exposure to "Agent Orange" by a member or veteran of the Armed Forces of the United States or any dependent of such person who served in Vietnam shall not be considered as income for the purpose of determining eligibility or continuing eligibility for public assistance and shall not be subject to a lien or be available for repayment to the Commonwealth for public assistance received by the recipient.

[~~(10) The cabinet shall include a special needs allowance to recipients of aid to families with dependent children for costs associated with education and training, limited to transportation to and from training or educational programs and child care costs necessary for participation in education and training programs. The cabinet shall promulgate administrative regulations setting forth the special needs which will be recognized and the circumstances under which they will be included, the amount of special needs allowances and the length of time recipients may receive such allowances. Such administrative regulations shall provide that work expenses and child care costs resulting from employment in an employment search program or a community work experience program shall not be special needs.~~]

Section 16. KRS 205.010 is amended to read as follows:

As used in this chapter unless the context requires otherwise:

(1) "Cabinet" means the Cabinet for Human Resources;

(2) "Secretary" means the secretary for human resources or his authorized representative;

(3) "Public assistance" means money grants, assistance in kind or services to or for the benefit of needy aged, needy blind, needy permanently and totally disabled persons, needy children or persons with whom a needy child lives or a family containing a combination of these categories except that the term shall not be construed to permit the granting of financial aid where the purpose of such aid is to obtain an abortion. For purposes of this section and KRS 205.560, "abortion" means an act, procedure, device or prescription administered or prescribed for a pregnant woman by any person, including the pregnant woman herself producing premature expulsion of the fetus. Abortion does not include an induced premature birth intended to produce a live viable child;

(4) "Needy child" means a child who has been deprived of parental support by reasons prescribed by regulations within the scope of title IV of the Social Security Act, its amendments and federal regulations and who does not have otherwise provided for him a subsistence compatible with decency and health;

(5) "Parent", in addition to biological or adoptive parent, shall include stepparent;

(6) "Needy aged" means a person who has attained the age of sixty-five (65) and who is unable to provide for himself and who does not have otherwise provided for him a subsistence compatible with decency and health;

(7) "Needy blind" means a person who has no vision or whose vision is so defective as to prevent the performance of ordinary activities for which eyesight is essential and who is unable to provide for himself and who does not have otherwise provided for him a subsistence compatible with decency and health;

(8) "Person with whom a needy child lives" means the individual prescribed by regulation, with whom such child is living in a place of residence maintained by such individual by himself or together with one (1) or more other persons;

(9) "Needy permanently and totally disabled" means a person eighteen (18) years of age or older and who has a permanent physical or mental impairment, disease or loss that substantially precludes him from engaging in useful occupations within his competence and who is unable to provide for himself and who does not have otherwise provided for him a subsistence compatible with decency and health;

(10) "Private institution" means any establishment or place other than a public institution operated or maintained by any individual, association, corporation or other organization which provides a group living arrangement for four (4) or more individuals, who are cared for and maintained in residence for compensation or otherwise;

(11) "Public institution" means any establishment or place which is the responsibility of and administered by the state or any political subdivision thereof providing a group living arrangement in which one (1) or more individuals are cared for and maintained in residence;

(12) "Public medical institution" means any public institution the primary purpose of which is to furnish hospital care and medical treatment;

(13) "Person determined to be potentially responsible" means any person who:

(a) Is not aged, blind, disabled, incapacitated, or needed in the home:

1. Because of the illness or incapacity of a member of the family; or

2. Because of children in the home under the age of six; or

(b) Volunteers for such determination.[~~;~~]

(14) [~~As used in KRS 205.650 to 205.700, unless the context otherwise requires:~~

~~(a) "Community work experience program" shall mean a program to provide work experience and training for recipients of public assistance who are not otherwise able to obtain employment or who are not actively participating in training or education programs;~~

~~(b) "Designated geographic area" shall mean one (1) county or a portion of one (1) county selected by the secretary as the site of a community work experience program; and~~

~~(c) "Recipient" shall mean a person who currently receives benefits from public assistance;~~

~~(15)~~] Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

The Committee Substitute to **HB 424** is as follows:

HB 424, AN ACT relating to child support.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 403.160 is amended to read as follows:

(1) In a proceeding for dissolution of marriage or for legal separation, or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.

(2) ***(a) In a proceeding for dissolution of marriage, legal separation, or child support, either party may move for temporary child support. The motion shall be accompanied by an affidavit setting forth the number of children of the marriage and the information required to calculate the combined adjusted parental gross income set forth in KRS 403.212(2)(f). The court*** [~~Upon motion by either party, accompanied by an affidavit setting forth the number of children of the marriage and income of the parties, with notice to the opposing~~

~~party, the court, without a hearing, within fourteen (14) days from the filing of said motion,~~] shall order an amount of temporary child support based upon the child support guidelines as provided by law ***and the ordered temporary child support shall be retroactive to the date of the filing of the motion unless otherwise ordered by the court*** [~~, the order effective immediately; either party may move for a hearing before the court to contest or modify the order pursuant to the rules of the local court~~].

(b) Upon a showing of good cause, either party may move the court to enter an order for temporary child support without written or oral notice to the adverse party. After reviewing the affidavit required by paragraph (a) of this subsection, the court may issue a temporary child support order based upon the child support guidelines. The order shall provide that the order becomes effective seven (7) days following service of the order and movant's affidavit upon the adverse party unless the adverse party, within the seven (7) day period, files a motion for a hearing before the court. The motion for hearing shall be accompanied by the affidavit required by paragraph (a) of this subsection and, pending the hearing, the adverse party shall pay child support in an amount based upon the guidelines and the adverse party's affidavit. The child support order entered following the hearing shall be retroactive to the date of the filing of the motion for temporary support unless otherwise ordered by the court.

(3) As part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction or restraining order pursuant to the Rules of Civil Procedure.

(4) On the basis of the showing made and in conformity with KRS 403.200 [~~and the child support guidelines set forth in KRS 403.212~~], the court may issue a temporary injunction or restraining order and an order for temporary maintenance [~~or support~~] in amounts and on terms just and proper in the circumstances.

(5) A temporary order or temporary injunction:

(a) Does not prejudice the rights of the parties or the child which are to be adjudicated at subsequent hearings in the proceeding;

(b) May be revoked or modified before final decree on a showing of the facts necessary to revocation or modification under the circumstances; and

(c) Terminates when the final decree is entered or when the petition for dissolution or legal separation is voluntarily dismissed.

Section 2. KRS 403.211 is amended to read as follows:

(1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.

(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:

(a) A child's extraordinary medical or dental needs;

(b) A child's extraordinary educational, job training, or special needs;

(c) Either parent's own extraordinary needs, such as medical expenses;

(d) The independent financial resources, if any, of the child or children;

(e) Combined parental income in excess of the Kentucky child support guidelines;

(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount.

However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the federal Social Security Act; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.

(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

(6) ***The court shall allocate reasonable and necessary child-care costs incurred due to employment, job search made in good faith, or education leading to employment between the parents in proportion to their adjusted gross income, in addition to the amount ordered under the child support guidelines*** [~~The court, in its discretion, may order all or any part of child-care costs to be paid by either or both of the parents of the child, and if ordered, shall be in addition to the amount ordered under the child support guidelines~~].

(7) The court ***shall*** [~~may, in its discretion,~~] order the cost of [~~reasonable~~] health ***care*** insurance coverage of the child to be paid by either or both parents of the child[~~. However, in all child support orders being established, modified, or enforced by the Cabinet for Human Resources, the court shall provide for health care coverage for dependent children~~] if reasonable ***and available*** under all the circumstances.[~~;~~] If health care ***insurance*** coverage is not ***reasonable and*** [~~presently~~] available ***at the time the request for the coverage is made***, the ***court*** order shall provide for health care ***insurance*** coverage at ***the*** [~~such~~] time [~~as~~] it becomes ***reasonable and*** [~~reasonably~~] available.

(8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their adjusted gross incomes. Extraordinary medical expenses means uninsured expenses in excess of two hundred dollars ($200) per child per year. Extraordinary medical expenses shall include, but shall not be limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.

Section 3. KRS 403.212 is amended to read as follows:

(1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.

(2) For the purposes of the child support guidelines:

(a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.

(b) "Gross income" includes income from any source, except as excluded in this subsection, and includes, but is not limited to, income from salaries, wages, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including, but not limited to, Aid to Families with Dependent Children (AFDC), Supplemental Security Income (SSI) and food stamps.

(c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.

(d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community.

(e) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.

(f) "Combined adjusted parental gross income" means the combined gross incomes of both parents, less any of the following payments made by the parent:

1. The cost of health insurance coverage for the child; and

2. ***The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court.***

(3) The amount of pre-existing orders of ***current*** child support ***for prior born children*** to the extent payment is actually made under ***the*** [~~such~~] orders.

(4) If a parent is legally responsible for and is actually providing support for other prior born children who are not the subject of this particular proceeding, a deduction for the support shall be allowed to the extent payment is made. If the prior born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior born children.

(5)[~~(3)~~] The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their adjusted gross income.

(6)[~~(4)~~] The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. ***The minimum amount of child support shall be sixty dollars ($60) per month.***

(7)[~~(5)~~] The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.

(8)[~~(6)~~] The child support guidelines table is as follows:

Section 4. KRS 403.213 is amended to read as follows:

(1) The Kentucky child support guidelines may be used by the parent, custodian, or agency substantially contributing to the support of the child as the basis for periodic updates of child support obligations. The provisions of any decree respecting child support may be modified only as to installments accruing subsequent to the filing of the motion for modification and only upon a showing of a material change in circumstances that is substantial and continuing.

(2) Application of the Kentucky child support guidelines to the circumstances of the parties at the time of the filing of a motion or petition for modification of the child support order which results in equal to or greater than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed to be a material change in circumstances. Application which results in less than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed not to be a material change in circumstances. For the one (1) year period immediately following enactment of this statute, the presumption of material change shall be a twenty-five percent (25%) change in the amount of child support due rather than the fifteen percent (15%) stated above.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child shall be terminated by emancipation of the child ***unless the child is a high school student when he reaches the age of eighteen (18). In cases where the child becomes emancipated because of age, but not due to marriage, while still a high school student, the court ordered support shall continue while the child is a high school student, but not beyond completion of the school year during which the child reaches the age of nineteen (19) years. Provisions for the support of the child shall not be terminated*** [~~but not~~] by the death of a parent obligated to support the child. If a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump-sum payment, to the extent just and appropriate in the circumstances.

(4) The child support guidelines table shall be reviewed at least once every four (4) years by a commission consisting of the following persons:

(a) The secretary of the Cabinet for Human Resources or a supervisory staff person designated by him;

(b) Two (2) members of the Kentucky Bar Association who have at least six (6) consecutive years, experience and are presently practicing domestic relations cases, one (1) member from a metropolitan or large urban area and one (1) member from a less populated area;

(c) Two (2) Circuit Judges appointed by the Chief Justice of the Kentucky Supreme Court, one (1) from a metropolitan or large urban area, and one (1) from a less populated area;

(d) One (1) District Judge appointed by the Chief Justice of the Kentucky Supreme Court;

(e) Two (2) county attorneys appointed by the president of the County Attorneys Association, one (1) from a metropolitan or large urban area and one (1) from a less populated area; and

(f) The Attorney General or his designee, who shall be an attorney from his office.

(5) The commission shall make a recommendation to the Kentucky General Assembly to ensure that the child support guidelines table results in a determination of appropriate child support amounts.

Section 5. KRS 405.430 is amended to read as follows:

(1) When a parent who fails to support a child is not obligated to provide child support by court order, the cabinet may determine the parent's minimum monthly child support obligation and proportionate share of child care costs incurred due to employment or job search of either parent, or incurred while receiving

elementary or secondary education, or higher education or vocational training which will lead to employment. The monthly child support obligation shall be determined pursuant to the Kentucky child support guidelines set forth in KRS 403.212. The actual cost of child care shall be reasonable and shall be allocated between the parents in the same proportion as each parent's gross income, as determined under the guidelines, bears to the total family gross income.

(2) The cabinet may modify a parent's child support obligation or child care obligation as established by the cabinet on its own or upon a parent's petition, but only upon a finding of the conditions described for judicial modification of a support order.

(3) In establishing a parent's monthly child support obligation, the cabinet may utilize information about the parent and child which it has good reason to believe is reliable and may require the parents to provide income verification.

(4) No person shall knowingly make, present, or cause to be made or presented to an employee or officer of the cabinet any false, fictitious, or fraudulent statement, representation, or entry in any application, report, or document used in determining child support or child-care obligations.

Section 6. KRS 405.991 is amended to read as follows:

(1) Any person or corporation violating the provisions of KRS 405.465 or 405.467 shall be fined not more than five hundred dollars ($500) or be imprisoned in the county jail for not more than one (1) year, or both.

(2) A person who violates subsection (2) of KRS 405.490 shall pay the cabinet the value of the property ordered to be held or the delinquent child support, whichever is lesser, plus interest thereon at the legal rate for judgments, court costs, and reasonable attorney's fees.

(3) A person who violates subsection (4) of KRS 405.430 shall be guilty of a Class A misdemeanor and, in addition to any other penalties provided by law, shall be responsible for payment of any difference between the amount of child support calculated using the correct information and the prior calculation using the false information.

Section 7. KRS 427.045 is amended to read as follows:

The exemptions provided in KRS ***342.180 and*** 427.010 to 427.040 shall not apply for executions, attachments, or garnishments, issued for the collection of maintenance of minor children.

Section 8. KRS 514.040 is amended to read as follows:

(1) A person is guilty of theft by deception when he obtains property or services of another by deception with intent to deprive him thereof. A person deceives when he intentionally:

(a) Creates or reinforces a false impression, including false impressions as to law, value, intention, or other state of mind;

(b) Prevents another from acquiring information which would affect his judgment of a transaction;

(c) Fails to correct a false impression which the deceiver previously created or reinforced or which the deceiver knows to be influencing another to whom he stands in a fiduciary or confidential relationship;

(d) Fails to disclose a known lien, adverse claim, or other legal impediment to the enjoyment of property which he transfers or encumbers in consideration for the property obtained, whether ***the*** [~~such~~] impediment is or is not valid or is or is not a matter of official record; or

(e) Issues or passes a check or similar sight order for the payment of money, knowing that it will not be honored by the drawee.

(2) The term "deceive" does not, however, include falsity as to matters having no pecuniary significance or puffing by statements unlikely to deceive ordinary persons in the group addressed.

(3) Deception as to a person's intention to perform a promise shall not be inferred from the fact alone that he did not subsequently perform the promise.

(4) For purposes of subsection (1) of this section, ***a maker*** [~~an issuer~~] of a check or similar sight order for the payment of money is presumed to know that the check or order, other than a postdated check or order, would not be paid, if:

(a) The ***maker*** [~~issuer~~] had no account with the drawee at the time the check or order was issued;

(b) Payment was refused by the drawee for lack of funds, upon presentation within thirty (30) days after issue, and the issuer failed to make good within ten (10) days after receiving notice of that refusal. ***A maker*** [~~An issuer~~] makes good on a check or similar sight order for the payment of money by paying to the holder the face amount of the instrument, together with any fee to be imposed pursuant to subsection (4)(c) of this section; or

(c) If a county attorney issues notice to ***a maker*** [~~an issuer~~] that a drawee has refused to honor an instrument due to a lack of funds as described in subsection (4)(b) of this section, the county attorney may charge a fee to the ***maker*** [~~holder~~] of ***ten*** [~~five~~] dollars ***($10)*** [~~($5)~~], if ***the*** [~~said~~] instrument is paid.

(5) A person is guilty of theft by deception when he issues a check or similar sight order in payment of all or any part of any tax payable to the Commonwealth knowing that it will not be honored by the drawee.

(6) ***A person is guilty of theft by deception when he issues a check or similar sight order in payment of all or any part of a child support obligation knowing that it will not be honored by the drawee.***

(7) Theft by deception is a Class A misdemeanor unless the value of the property, service, or the amount of the check or sight order referred to in subsection (5) ***or (6)*** of this section is one hundred dollars ($100) or more, in which case it is a Class D felony.

SECTION 9. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

In any proceeding in which a court orders child support, the court shall determine which party may claim which child or children as dependents for income tax purposes.

SECTION 10. A NEW SECTION OF KRS CHAPTER 406 IS CREATED TO READ AS FOLLOWS:

As used in KRS 406.011 to 406.180:

(1) "Genetic markers" means separate identifiable genes or complexes of genes generally isolated as a result of blood typing, at least seven (7) of which are normally tested in a paternity proceeding.

(2) "Genetic tests" means blood or tissue typing tests including, but not limited to, tests of red cell antigens, red cell isoenzymes, human leukocyte antigens, serum proteins, electrofloresis, or deoxyribonucleic acid.

(3) "Paternity index" means the commonly accepted indicator used for denoting the existence of paternity. It represents the mathematically computed probability that the putative father is the true father of the child, as opposed to any other man of similar ethnic background. The paternity index, computed using results of various paternity tests following accepted statistical principles for the computation of probability, shall be in accordance with the method of expression accepted by the American Association of Blood Banks.

Section 11. KRS 406.041 is amended to read as follows:

The obligation of the estate of the father for liabilities under this chapter ***shall not be terminated by the death of the father obligated to support the child. If a father obligated to support the child dies, the amount of support may be modified, revoked, or commuted to a lump-sum payment, to the extent just and appropriate in the circumstances*** [~~is limited to amounts accrued prior to his death and such sums as may be payable for dependence under other laws~~].

Section 12. KRS 406.081 is amended to read as follows:

The court, upon request of a party or on its own motion, shall order the mother, child, and alleged father to submit to ***genetic*** [~~blood~~] tests. If the mother refuses for herself or on behalf of the child to submit to ***the*** [~~such~~] tests, the court may resolve the question of paternity against her unless ***the*** [~~such~~] action is brought by or is being prosecuted by an agency contributing to the support of the child.

Section 13. KRS 406.091 is amended to read as follows:

(1) If a ***genetic*** [~~blood~~] test is required, the court shall direct that inherited characteristics[~~, including but not limited to blood tests,~~] be determined by appropriate testing procedures, and shall appoint an expert qualified as an examiner of genetic markers to analyze and interpret results and to report to the court.

(2) ***Genetic*** [~~Blood~~] test results are admissible and shall be weighed along with other evidence of the alleged father's paternity.

(3) If the results of ***genetic*** [~~blood~~] tests or the expert's analysis of inherited characteristics is disputed, the court, upon reasonable request of a party, shall order that an additional test be made by the same laboratory or independent laboratory at the expense of the party requesting additional testing.

(4) Verified documentation of the chain of custody in transmitting the blood specimens is competent evidence to establish the chain of custody.

(5) A verified expert's report shall be admitted at trial unless the expert is called by a party or the court as a witness to testify to his findings.

(6) All costs associated with ***genetic*** [~~blood~~] testing shall be paid by the parties in proportions [~~and at times~~] determined by the court.

Section 14. KRS 406.111 is amended to read as follows:

If the court finds that the conclusions of all the experts, as disclosed by the evidence based upon the tests, are that the alleged father is not the father of the child, the question of paternity shall be resolved accordingly. If the experts disagree in their findings or conclusions, the question may be submitted upon all the evidence. If the ***court finds that the statistical probability of paternity equals or exceeds ninety-nine percent (99%), as calculated by the experts qualified as examiners of genetic markers, and that the paternity index, as calculated by the experts qualified as examiners of genetic markers, is one hundred (100) to one (1) greater, there is a rebuttable presumption, affecting the burden of proof, of paternity. This presumption shall only be rebutted by a preponderance of the evidence. If the presumption is not rebutted, the court may enter a summary judgment of paternity, pursuant to Rule 56 of the Rules of Civil Procedure*** [~~experts conclude that the blood tests show the possibility of the alleged father's paternity, admission of this evidence is within the discretion of the court, depending upon the infrequency of the blood type~~].

Message from the Governor

Announcing veto of **HB 12**. (Date: March 2, 1992; Time: 10:15 a.m.)

The veto message of **HB 12** is as follows:

Pursuant to the authority vested in me by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Brereton C. Jones, Governor, do hereby veto House Bill 12. I fully support the procedures currently contained in KRS Chapter 12 that require legislative scrutiny of major reorganizations of the executive branch of government. One part of this bill, Section 1, Subsection (2) would extend those procedures to the mundane day-to-day operation of state government, with the result that a department head could not abolish unnecessary positions, transfer employees between positions or change the duties of positions without following the procedures established by KRS 12.028. The intent of the bill, consolidating and making consistent the management responsibilities of the cabinet secretaries, I wholeheartedly support.

s/Brereton C. Jones, Governor
February 28, 1992

HB 44, AN ACT relating to gambling.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 528.010 is amended to read as follows:

The following definitions apply in this chapter unless the context otherwise requires:

(1) "Advancing gambling activity" — A person "advances gambling activity" when, acting other than as a player, he engages in conduct that materially aids any form of gambling activity. The conduct shall include, but is not limited to, conduct directed toward the establishment of the particular game, contest, scheme, device, or activity involved; toward the acquisition or maintenance of premises, paraphernalia, equipment, or apparatus therefor; toward the solicitation or inducement of persons to participate therein; toward the actual conduct of the playing phases thereof; toward the arrangement of any of its financial or recording phases or toward any other phase of its operation. A person who gambles at a social game of chance on equal terms with other participants does not otherwise advance gambling activity by performing acts, without remuneration or fee, directed toward the arrangement or facilitation of the game as inviting persons to play, permitting the use of premises therefor and supplying equipment used therein.

(2) "Bookmaking" means advancing gambling activity by unlawfully accepting bets upon the outcome of future contingent events from members of the public as a business.

(3) "Gambling" means staking or risking something of value upon the outcome of a contest, game, gaming scheme, or gaming device which is based upon an element of chance, in accord with an agreement or understanding that someone will receive something of value in the event of a certain outcome. ***A contest or game in which eligibility to participate is determined by chance and the ultimate winner is determined by skill shall not be considered to be gambling.***

(4) "Gambling device" means:

(a) Any so-called slot machine or any other machine or mechanical device an essential part of which is a drum or reel with insignia thereon, and which when operated may deliver, as a result of the application of an element of chance, any money or property, or by the operation of which a person may become entitled to receive, as the result of the application of an element of chance, any money or property; or

(b) Any other machine or any mechanical or other device,including but not limited to roulette wheels, gambling tables and similar devices, designed and manufactured primarily for use in connection with gambling and which when operated may deliver, as the result of the application of an element of chance, any money or property, or by the operation of which a person may become entitled to receive, as the result of the application of an element of chance, any money or property;

(c) But, the following shall not be considered gambling devices within this definition:

1. Devices dispensing or selling combination or French pools on licensed, regular racetracks during races on said tracks.

2. Electro-mechanical pinball machines specially designed, constructed, set up, and kept to be played for amusement only. Any pinball machine shall be made to receive and react only to the deposit of coins during the course of a game. The ultimate and only award given directly or indirectly to any player for the attainment of a winning score or combination on any pinball machine shall be the right to play one (1) or more additional games immediately on the same device at no further cost. The maximum number of free games that can be won, registered, or accumulated at one (1) time in operation of any pinball machine shall not exceed thirty (30) free games. Any pinball machine shall be made to discharge accumulated free games only by reactivating the playing mechanism once for each game released. Any pinball machine shall be made and kept with no meter or system to preserve a record of free games played, awarded, or discharged. Nonetheless, a pinball machine shall be a gambling device if a person gives or promises to give money, tokens, merchandise, premiums, or property of any kind for scores, combinations, or free games obtained in playing the pinball machine in which the person has an interest as owner, operator, keeper, or otherwise.

(5) "Lottery and gift enterprise" means:

(a) A gambling scheme in which:

1. The players pay or agree to pay something of value for chances, represented and differentiated by numbers or by combinations of numbers or by some other media, one (1) or more of which are to be designated the winning ones; and

2. The ***ultimate winner is*** [~~winning chances are~~] to be determined by a drawing or by some other method based upon the element of chance; and

3. The holders of the winning chances are to receive something of value.

(b) A gift enterprise or referral sales plan which meets the elements of a lottery listed in paragraph (a) of this subsection is to be considered a lottery under this chapter.

(6) "Mutuel" or "the numbers games" means a form of lottery in which the winning chances or plays are not determined upon the basis of a drawing or other act on the part of persons conducting or connected with the scheme, but upon the basis of the outcome or outcomes of a future contingent event or events otherwise unrelated to the particular scheme.

(7) "Player" means a person who engages in any form of gambling solely as a contestant or bettor, without receiving or becoming entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of the particular gambling activity. A person who engages in "bookmaking" as defined in subsection (2) of this section is not a "player." The status of a "player" shall be a defense to any prosecution under this chapter.

(8) "Profiting from gambling activity" — A person "profits from gambling activity" when, other than as a player, he accepts or receives or agrees to accept or receive money or other property pursuant to an agreement or understanding with any person whereby he participates or is to participate in the proceeds of gambling activity.

(9) "Something of value" means any money or property, any token, object, or article exchangeable for money or property, or any form of credit or promise directly or indirectly contemplating transfer of money or property or of any interest therein, or involving extension of a service, entertainment, or a privilege of playing at a game or scheme without charge.

(10) "Charitable gaming" means games of chance, including bingo, operated by charitable or religious organizations or institutions, or fraternal societies, or associations, operating under the lodge system, the net earnings of which are devoted exclusively to religious, scientific, literary, educational, or fraternal purposes. In order to assume a charitable gaming status, the charitable or religious organization or institution, or fraternal society and the gaming activity conducted thereby shall conform to the requirements of KRS 528.130 and 528.140.

(5) Wilful and deliberate failure or default of a licensee to pay an excise tax or any part thereof, or any penalties imposed by or under the provisions of any statutes, ordinances or acts of congress relative to taxation, or for a violation of any administrative regulations of the revenue cabinet made in pursuance thereof.

(6) Revocation of any license or permit provided in KRS 243.060, 243.070, 243.600 and 243.610, or granted under any act of congress relative to the regulation of the manufacture, sale and transportation of alcoholic beverages. Any license issued under KRS 243.020 to 243.670 must be revoked or suspended in the case of sale of alcoholic beverages by the licensee at a price in excess of the price set by federal or state regulations.

(7) Setting up, conducting, operating or keeping, on the licensed premises, any gambling game, device, machine or contrivance, or lottery or gift enterprise, or handbook or facility for betting or transmitting bets on horse races; or permitting to be set up, conducted, operated, kept, or engaged in, on the licensed premises, any such game, device, machine, contrivance, lottery, gift enterprise, handbook or facility. This section shall not apply to ***contests in which eligibility to participate is determined by chance and the ultimate winner is determined by skill and the licensee has no direct interest, or to*** the sale of lottery tickets sold under the provisions of KRS Chapter 154A.
